GC Seeks Reason For Nameoki Rd. Delay

Meeting with State is Sought; Council Again Rejects Plumbing Code

The status of the seven-year-old proposal for widening Nameoki road to four lanes will be sought by the city today in a meeting to be arranged for council members and state highway officials. The meeting was ordered during Monday night council session when aldermen expressed concern over the continued delay.

In other action Monday night, council members again rejected an amendment to the plumbing code by a vote of 6-to-0. The objectionable clause pertaining to the plumbing inspector's access to homes and buildings was rewritten to limit it to new construction and repair work.

Design work on the Nameoki road widening project was started in 1959, and the project has been on the state's list of highway work with allocations of funds for the past four years. However, in the past year, the preliminary work has been of the first phase—the \$270,000 job of widening Nameoki road from Madison avenue to the north city limits. Alderman Donald Partney said he had heard the state was not ready to proceed with the project. It was reported that the state was not ready to proceed with the project. It was reported that the state was not ready to proceed with the project.

No Withdrawal by State
William S. Krause, district highway engineer, French Village, told the Press-Record this week that the state allocation for Nameoki road has not been withdrawn.

"It's been on the state project for about two years and we're still waiting for the city to provide the right-of-way," Krause said. He added that the appraisal of property needed for the right-of-way "are not adequate" and have been termed such by right-of-way men at both the French Village and Springfield highway offices.

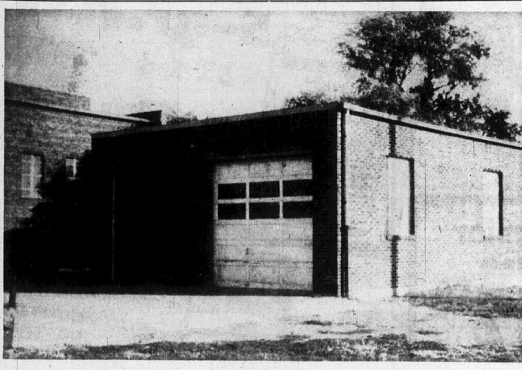

Krause was contacted today and said he has not yet been advised of the city's request to review the Nameoki road project. Attorney Blumenschein, who is to arrange the meeting with state highway officials, said Monday night the delay has been in the state's acceptance of property appraisals for 47 individual right-of-way tracts needed north of Madison avenue.

"Seven have been appraised and reappraised three times. When they're returned to us, some have approved, some not, but they're rejected some along the line," he added. He said 20 tracts are ready for the state to condemn. 22 others are in the process of still being negotiated and are pending approval in Springfield.

Alderman Fred Johnson called for the meeting with the state, saying he also wanted an explanation of any changes in design. "We need a person to represent the meeting, especially since much money has been invested in engineering design."

The project is classified as 90-10 with the state paying 90% of the cost and the city 10% to the city.

VENICE SCHOOL REMODELING plans include creation of two classrooms, one of them a science laboratory, in this 75x27-foot building which has served as a bus and truck garage. It is located immediately behind the Venice public school gymnasium, which is visible at the left. Two rooms also will be established in the present science laboratory, and a smaller garage building is to be constructed.

Seek President's Appearance Here At Campaign Rally

An effort to bring President Lyndon B. Johnson to this area for a major Democratic campaign rally on Oct. 28 is being made by the Democratic county committee of Madison and St. Clair counties, Walter "Buck" Simmons, Madison county board chairman, said today.

Arrangements for the meeting are being handled through the state committee, and while there has been no definite assurance the President will be able to make a stop here as part of his campaign itinerary, "they have been indications that the President may accept the invitation to speak here," Simmons said.

He pointed out the plan, if it materializes, is for a major joint rally for both Madison and St. Clair counties to be held at a place yet to be decided upon. Details for the rally will be worked out when and if word is received that the President will appear.

Simmons noted that if the President does come here for a campaign appearance, there is little likelihood of an area-wide caravan tour such as that conducted by the late President John F. Kennedy in his campaign appearances here in 1960.

Simmons said he believes that tightened security measures would prevent such a tour.

State Caravan Due
Meanwhile, plans are being completed for the appearance here next Thursday, Oct. 15, of a state Democratic caravan headed by Lt. Gov. Samuel H. Shapiro. With Shapiro will be a delegation of 47 individuals.

Year's First DW Conviction In GC Ruled by Edwards

The first conviction on a charge of driving while intoxicated was obtained in more than a year, and perhaps longer, in the Granite City magistrate court Wednesday, when Judge Wesley Edwards ruled that a driver was guilty of the offense.

Robinson was found guilty and fined \$100 and costs on the drunk driving charge, \$200 and costs for driving while his license was revoked and \$50 and costs for careless driving, after the case was heard by Judge Edwards.

Robinson was taken to the city jail and to pay the fine in two days or be taken to court. The case was called when a representative of the state's attorney's office was unable to appear to prosecute it.

Police have long complained of the difficulty in obtaining a drunk driving conviction, one which usually leads to suspension of a driver's license. They also have complained of the numerous continuances of cases, particularly when officers must appear in court during their normal tour of duty.

However, a defendant driver must be sober before appearing in court, and the rules of evidence in court here require more than the word of a police officer. No acceptable sobriety test could easily be overthrown in an appeal. Defendants also are in jeopardy of their legal rights.

No acceptable sobriety test has been established here in drunk driving cases, although the state's attorney has been conferring with Granite City and Madison county judges to devise an admissible test.

In the case following Robinson's, Magistrate Edwards also has complained of the numerous continuances of cases, particularly when officers must appear in court during their normal tour of duty.

Expansion, Remodeling At Venice High School

Plan New Classrooms As Step Toward Razing Of Lincoln High School

Plans were made by the Venice school board Monday night to expand Venice high school, Lincoln high school, by remodeling space in the school and to discontinue the Venice facilities are enlarged.

The Lincoln senior class was transferred to Venice high school this fall, and room will be made for the freshmen, sophomore and junior students by remodeling space in the school and in the school garage, which was built as part of the 1953 bond issue construction program.

The 75x27-foot one-story garage will be converted into a science laboratory and a classroom. New science equipment valued at over \$8000 will be moved there from Lincoln high school.

Older equipment in the present Venice high school science laboratory will be discarded. Two new classrooms will be created in the area currently occupied by the Venice Science Laboratory.

New, Smaller Garage
A preliminary figure of \$30,000 has been disclosed as the cost of the remodeling within the high school and garage and for erecting a new garage. The present garage is located about 25 feet from the Venice school building and is a red-walkeyway to connect the two buildings is planned.

A more precise cost estimate will be sought by school authorities from Architect Virgil H. Dunsen, who is to develop the plans for the remodeling projects. The garage remodeling project has not yet been acted upon.

The proposed concrete block garage will be smaller than the existing garage because the remodeling plan calls for a truck and maintenance storage area. It will include storage space for a few cars.

Related work is expected to include new restrooms in the converted garage and blacktopping of the surrounding area.

Finance Without Bond Issue
Financial aid through the National Defense Education Act, if possible, Supt. of Schools John O. Pier told the board. Remaining funds for the school system are to be borne from the building fund and working fund and there are no plans for a bond issue in connection with the high school consolidation.

Consolidation already has resulted from combining the athletic programs of the two schools. (Continued on page 18, col. 1)

Nameoki Board To Act Oct. 19 On Bond Issue

Mayor Lee to Set Hearing Soon on Tavern Gambling

Mayor John E. Lee will schedule a meeting of the Venice Liquor Control Commission within the next few days to consider action against Kingsbury's Bar, 401 Weaver street, where gambling activities have been found on two occasions within the past 12 days, the mayor said today.

Kingsbury's bar was the scene last Sunday morning of an argument over a dice game that later led to the fatal beating of Harry Logan, 35, 1127 Logan street, Venice. A week prior to that two men were arrested during early morning hours for operating a gambling game in the same tavern.

Blowdown R. B. Kingsbury, operator of the tavern, was dismissed from his job as assistant night judge at the county jail in the State Police. Sheriff Barney Fraundt told the Press-Record that he discussed with Venice police evidence of gambling activities in Kingsbury's bar.

The Venice liquor commission includes Mayor Lee, Chief of Police Frank DeWitt and Hank Kozlowski, a Venetian alderman and chairman of the city council's Ordinance committee. The mayor said the hearing will be set as soon as he can arrange a meeting with DeWitt and Kozlowski.

Plans Other Hearings
Mayor Lee said at the same time that similar hearings will be held later for operators of a filtration plant in the State Park Place area, and for a filtration plant in the East Madison area.

Engineer Moe told the board that at first there will be 2154 equivalent units, about 200 more than were figured two years ago because of the residential growth of the township. He said the growth eased the burden on individual households, and that as the town grows, the monthly fees could be reduced or the bond issue could be retired earlier.

A \$200 tap-on fee was considered in Moe's report but was not accepted. Plans call for a tap-on fee of \$150 for future residents, and use of the sewers will be required in the ordinance according to state laws, Briggs said.

Breakdown of Costs
Total cost of the Miracle-Belle-Pontoon project would be \$1,215,300, according to Moe's estimates. Included are 62,225 feet of 18-inch sewer, \$280; 16,160 feet of 10-inch sewer, \$161,600; 3,200 feet of 12-inch sewer, \$31,200; 4,250 feet of 15-inch sewer, \$31,200; 2,100 feet of 18-inch sewer, \$31,200; Bi-State Agency Acts to Secure \$20,000 Grant for Coordinate Plan Prospectus

Formal action to obtain a \$20,000 Greenfield Foundation grant to finance preparation of a prospectus for coordinated regional planning was authorized by the Bi-State Development Agency Tuesday.

Bi-State commissioners, meeting in St. Louis, took the action after Acting Chairman C. F. Townsend outlined developments of the Sept. 25 meeting in East St. Louis in which the East-West Gateway Regional Planning Committee was established and procedure determined for development of the prospectus.

The agency authorized Col. R. E. Smyser, executive director, to inform the Greenfield Foundation that the proffered \$20,000 grant would be matched in like value by professional services that will be provided for the prospectus work by the Illinois Board of Economic Development and by the planning commissions of the city of St. Louis and St. Louis county.

By Press-Record Staff Photographer

HISTORICAL ITEMS were presented Tuesday by Mrs. Margaret Harlan (left), 1734 Fourth street, Madison to Mrs. A. Austin Lewis, vice-president of the Madison County Historical Museum. Mrs. Harlan holds an iodine bottle and Mrs. Lewis two pestles and a mortar used by Mrs. Harlan's father-in-law, Dr. James Monroe Harlan (1855-1912), in Madison's first drug store at Third street and Madison avenue (now a tavern). Also presented were old photos, the 1904-05 yearbook of Madison's first club (Madison Literary Club, still active) and a 1913 copy of Interurban magazine which includes short histories of several county towns. Mrs. Harlan's husband, the late Dr. Lee C. Harlan, was a long-time Madison physician until his death in 1955. His father is believed to be the first registered pharmacist in Madison history.

Must Meet Deadline

Townsend told the commissioners that a four-man committee of two members from Illinois and two from Missouri—had been set up within the Tri-Cities East-West committee to guide the preparation of the prospectus for a comprehensive continuing plan for the entire metropolitan area by next July 1. All federal funds for highway development are to be cut off on that date for all areas that do not have such a plan prepared.

The prospectus will enable agencies of the East-West committee to decide if it will participate in the planning program and to what extent. The prospectus must be approved by the committee and by the planning division of the Federal Bureau of Roads.

Referring to the establishment

of the East-West Gateway committee, Townsend remarked that now are beginning to get on our way in coordinated regional planning." He said, however, that there still "is no complete harmonious agreement" between groups on both sides of the river but that he believes all issues eventually will be settled.

Approve Airport Contract
The agency also approved a contract with the city of St. Louis under which St. Louis will advance \$500,000 for the reopening of Parks Metropolitan Airport. Effectiveness of the contract is dependent upon eventual

feasibility surveys and financing arrangements. Under the contract the city of St. Louis would advance \$100,000 per year for three years and \$50,000 per year for the next four years.

The fund is provided in return for the Bi-State Agency operating the airport as a public port and providing an airfield to which traffic could be diverted from Lambert Field. The St. Louis Board of Public Service approved the first \$50,000 payment Tuesday, to be made Jan. 1.

PLANNING EXPERT. Theodore H. Mikesell, executive director of the Southwestern Illinois Area Metropolitan Planning Commission, who will address the members of the Downtown Granite City Shopping Center on next Wednesday on methods to revitalize the downtown business district.

The meeting is open to all members of the Downtown Association and downtown property owners. It will be held at 7:30 p.m. in the YMCA.

Harmer Huber, chairman of the executive committee, said Mikesell will discuss the importance of immediate action in revitalizing the downtown area and will suggest possible way of achievement. Following the talk by the expert who has had extensive background in downtown redevelopment, the meeting will be open for discussion.

'No' to Joining In Development Corporation Plan

The Tri-Cities Chamber of Commerce decided Tuesday night against participating in the St. Louis Metro-East Industrial Development Corporation, which is being established by the Edwardsville Chamber of Commerce.

The board ratified the recommendation of its Industrial Development Committee. The committee suggested that, in lieu of such participation, the Chamber groups and others interested in industrial development meet jointly four times a year to discuss methods of encouraging and attracting new and expanded manufacturing.

While favoring informal area-wide cooperation, the committee took the stand that investment and formal membership in the proposed corporation would not be advisable due to two other Quad-City programs currently in progress.

Port, Madison Programs
The two existing activities directed were the industrial development program of the Tri-City Regional Port District, which has issued \$750,000 in revenue bonds for port loading and storage facilities now being built, and the \$200,000 fund provided by the city of Madison from bridge profits for construction of buildings to be leased to industrial plants.

The Chamber went on record to take steps toward the scheduling of quarterly discussions with other development agencies in the Illinois Metropolitan Area.

Among those invited to join the industrial development corporation were the Tri-Cities, Wood River, Alton and Collinsville Chambers.

The local Chamber on Tuesday night also took note of support of Madison county zoning voiced by the Madison County Citizens' Planning Committee, which has described continuation of zoning as essential for industrial development. It was reported that zoning commissioners may support an amendment to the zoning ordinance relating to regulation of mobile home courts.

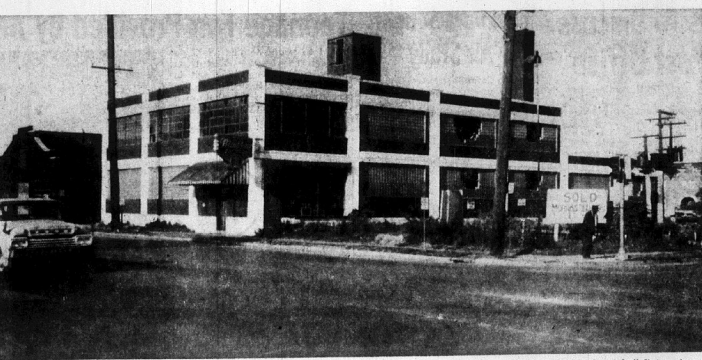

Emmet G. Hurry, 56, Dies of Cancer

Emmet G. Hurry, 56, of 2641 East 24th street, died in the John Cochran Veterans Hospital, St. Louis, at 10 a.m. Wednesday, following a long illness of cancer. He recently had been in Barnes Hospital for three months. He had been moved from his home to Cochran hospital Tuesday.

Mr. Hurry was a native of Granite City. For the past seven years he had been employed as a laborer with the Granite City street department, and prior to that was employed in construction work. He was a veteran of world war II, and a member of the American Legion, the Second Baptist church and Laborers' Union Local 387.

He is survived by his wife, Mrs. Rebecca Hurry; a son, Herschel Hurry of Granite City; a stepdaughter, Mrs. Charles (Connie) Clark, Granite City; a stepson, William Wiegand, Decatur, Ill.; a brother, Elmer Hurry, Granite City; three sisters, Mrs. Leo (Iona) Homyer, Collinsville, Mrs. Edgar (Verna) Hampton, Granite City; and Mrs. Ben (William) Jaimet, Collinsville; and five grandchildren. An obituary notice is given elsewhere in this issue.

In an emergency the quickest way to get a doctor is to turn on the television set.

ON ITS WAY DOWN is the two-story Massey Dairy building, 20th street and Madison avenue, which is to be razed for a Socony Mobil service station that will replace sent an estimated \$200,000 investment. The dairy, which has been out of business several years, has occupied the corner for decades and once had over 100 employees.

Officials, Groups to Discuss Use of Former Post Office

Future of the former Granite City post office will be the topic of a discussion planned for 8 p.m. Wednesday, Oct. 14, at the Granite City school board office, 2014 State street.

Participating will be school officials and representatives of the city government, park district, library board, Chamber of Commerce and various organizations. The city council Monday night authorized two or three persons to attend on behalf of the city.

The school district acquired the post office last year for use as a special education center and as the administrative headquarters of the school system. However, the extent and cost of proposed remodeling later prompted a delay, and the district has been marking time while it deliberated on whether to proceed.

Letters from Supt. Russell D. Johnson inviting persons to next week's discussion relate that the school district has secured the building from the federal government.

Ideas Sought

"After researching its possible uses as a school facility, certain questions regarding the feasibility of such use have developed. After discussion with the board of education it has been

Age, Condition Cited

Recent study has indicated that the age and condition of the post office, which was vacated last fall, would require a substantial expenditure of school funds. Whether the resulting office space would be as large or efficient as desired has been questioned.

Fuel Data Sought For Air Study

The Interstate Air Pollution Study group is sending followup questionnaires to businesses and industries throughout the Illinois-Missouri metropolitan area to get data on the types of operations and fuel used.

The initial questionnaires went out in July and August from the Industrial Waste Council of the two-state area seeking cooperation on behalf of the U.S. Health Department and other agencies participating in the two-state air pollution study.

The forms were sent out by Jack W. Sadler, project director for the U.S. Public Health Service.

The school district top priority and enabled it to acquire the building free if it established classrooms. Final title would be acquired in 20 years, or 10 years from now. By paying a percentage of the appraised value to the government, the school system could use it for non-classroom purposes.

The park district and city government also are accorded precedence by federal authorities over potential commercial bidding for the property, which is situated in the heart of the busy downtown business district.

The second parliament of James I of England did not produce a single statute. It was called the Added Parliament.

Teenage Fun Provided by Area United Fund Thru Teen Town Programs

Aid to youngsters is available through the United Fund from many different agencies and in many different forms, but there are those which offer their own brand of fun in entertainment and recreational programs rather than in the field of physical, mental or medical aid.

Foremost among these are the YMCA Teen Town — long rated one of the best of its kind in the state — and the Madison Teen Town at the Playground and Recreational center, both of which offer widely varied programs and facilities ranging from a tiny tot wading pool to organized teen-age dance parties.

Both groups are agencies of the United Fund and with their annual 10¢ allotment maintain organizations that provide a pleasurable outlet for youthful energy that might otherwise be spent in destructive channels.

The YMCA Teen Town depends entirely upon the United Fund for all of its operating income, while the Madison Playground and Recreation center is financed principally by tax funds from the city of Madison, with approximately 25% of its budget coming from the United Fund. For the 1964-65 year, the United Fund board of directors has allotted \$8500 to the YMCA. The group also held 16 discussions for activities of all kind sponsored by the agency. The membership of Teen Town at the present time is approximately

300 girls and 85 boys, with 130 participating non-members.

The Teen Town organization is a self governing unit. 'Y' directors provide facilities and guidance, the teenagers themselves decide matters of policy for finance. A council of 24 youths, elected by the other members, meet once each week and decide upon a program of activity and entertainment for the ensuing week.

The program is under direction of Brian Bronsman, director, and Donna Shands, assistant director, and Louise Serfaty, business. The Teen Town council is subordinate only to the general YMCA board.

During the past year the group put on 12 band dances with an attendance of 2139, a total of 27 juke box dances, a total of 2000; 39 Monday club nights in which 4775 participated and 39 Thursday club nights for the new year has been set attended by 2625 teen-agers.

Special committees within the club are the Co-Ed council which decides social policy; the youth and government committee which directs its attention to leadership training and each year sends representatives to the Youth Legislature at Springfield; and the World Service committee which organizes projects raising funds for needy cases overseas.

The Madison Playground and Recreation center operates on an annual budget of approximately \$22,000. Last year the organization reported total actual expenditures of \$21,651 under a \$22,000 budget. Its budget for the new year has been set at \$22,667, of which \$4800 will come from the United Fund, \$15,302 from Madison taxes and \$1,365 from club projects.

Youth and government sessions were held at 260, 17 different sessions, while 39 Teen Town council sessions were held with a participating attendance of 1950. Athletic activities and sports programs also attracted wide participation. There were 44 basketball games with 462 taking part, 33 softball games with 290 participating, and 37 baseball games in which participating attendance amounted to 378.

135 Club Projects

A total of 135 club projects

\$2565 in the form of a cash balance from its previous year.

The organization operates two recreational centers, one at Seventh and L streets and another at 901 West Washington street. The Teen Town group offers dances for youngsters of the Quad-Cities area and provides shuffleboard, ping pong and other facilities. In the summer a wading pool is open at the Seventh street center for youngsters under 12. Directing the Seventh street center is Jerry Zahn, Madison's director of recreation, while Christine Haynes directs the West Madison center. E. J. Miller, city clerk of Madison, serves as clerk of the board.

Dances Draw Crowds

During the year now ending the two centers had a total participating attendance of 38,089 youngsters. Of the attendance, 14,889 was at the Seventh street center dances. A total of 2600 attended dance classes which are held every Monday night with instruction by George Koychik. Attendance of 1000 participated in the organization's Koryou league baseball activities and attendance of \$500 was reported for the children's wading pools.

In addition to housing regular organized activities of the Madison organization, the two centers also are used for programs of other teen-age groups, clubs and civic organizations. Adults also make use of the centers for civic and social gatherings and committee meetings.

These two agencies, aided by United Fund allotments, consequently provide a program of fun and character building that attracts an annual participating attendance of nearly 70,000 youngsters.

SOCIETY

Easter Society Program Outlined

Betty Bagby of the county Easter Seal Society was guest speaker last night at a meeting of Phi Beta Tau chapter of Beta Sigma Phi in the home of Carol Lipo, 2120 Miracle avenue. Slides of the Easter Seal program were shown and the work was explained.

Mary Christian, president, presided and there were plans made for a Halloween hayride. The group will invite a "Tee-Hee" club to be guests at the next meeting. Refreshments were served to Donna Adams, Barbara Adams, Judy Ashley, Pat Pfaff, Ruth Justice, Linda Todd, Carol Lipo, Char Lee Parnley, Mary Christian and two guests. Myrna Bitchoff and Carol Boni.

Donna Adams was chosen as "Valentine Girl" for 1965 and Linda Todd was named "girl of the year" for 1964 due to outstanding achievements. Ideas and suggestions for the good of the chapter. Pictures of both girls will be forwarded to the International Office of the society in Kansas City, Mo.

Florida's highest point is located in Walton County.

SENIOR LEAGUE PLANS HALLOWEEN COOKOUT

A monthly meeting of the Senior League of The Gospel Mission on East 20th street was held Tuesday evening in the home of Mr. and Mrs. Donald Hayes on Wayne avenue to plan a Halloween party and cookout at Wilson Park Oct. 31.

Miss Connie Dean, president, was in charge and there were sentence prayers by the members, followed by reports.

Mrs. Bethel Davis, superintendent of the Mission, asked for support by the group in obtaining the 46th anniversary of the Mission Nov. 8, and reported on a workday for the new future.

After the closing prayer refreshments were served to Mrs. Davis, Lola Mayfield, Earlene Hayes, June Fowler, Don Hayes, Connie Dean, Gary Frost, the sponsor, Mrs. Calvin Lazenby Jr., Christie and Donald 4 or 5 Hayes.

PHI TAU OMEGA SORORITY HOLDS BUSINESS MEETING

A business meeting of Epsilon chapter of the Phi Tau Omega sorority was held Monday evening at the ELK's Club with Mrs. Laura Boyd, president, in charge. The program for the season was discussed and prizes were awarded to Mrs. Ann Tatum and Mrs. Shirley Durkin.

GO TO CHURCH SUNDAY

Judson Circle Installs Officers

A candlelight installation service for the newly-elected officers of Ann Judson Circle of Third Baptist Church, highlighted a meeting Tuesday evening in the church dining room. Mrs. Lexie Hobson was the hostess.

Mrs. Shirley Webster served as installing officer for the staff which includes Mrs. Pauline Weir, circle chairman, Mrs. Alma Garrard, enlistment chairman, Miss Lorene Shirley, secretary-treasurer, Mrs. Helen Carrington, Community missions; Mrs. Allie Smith, mission study; Mrs. Hazel Atchison, literature and stewardship; Mrs. Juanita Keltner, prayer; and Mrs. Hobson, social and publicity. Mrs. Nancy Turner, program chairman, was absent.

The theme for the ceremony was "Candles for the Lord," and during following the service Mrs. Frances McRayven sang "Sweet Holy Heart" and "Breathe on Me."

A business session followed and resolutions for Christmas were made for projects during the month. Making of tray favors for the church for Christmas, birthday cards to be sent to the Madison county sanatorium; visits to shut-ins and church members who are ill, making of cancer bandages to be continued and a visitation program for the coming fall revival.

The call to prayer was given by Mrs. Ruth Hopkins and a program on "Worship and the Missionary Task" was presented by Mrs. Helen Carrington, Mrs. Allie Smith, Mrs. Keltner, and Mrs. Weir.

The November meeting will be with Mrs. Keltner. Refreshments were served to 13, including several guests.

Mrs. Cheatham Heads Auxiliary

Baronet 34 of the Veterans of World War One and the Auxiliary met Tuesday evening at the VFW hall with the commander, Elmer Swanson, and president, Mrs. Mabel Clark, presiding.

A film was shown on the United Fund and during the business session, a UF donation was made.

Mrs. Zelma Hart, hospitality chairman, reported the auxiliary will entertain veterans at Altam State Hospital Oct. 21.

An election of officers was held. Those named were: president, Mrs. Gussie Cheatham; senior vice-president, Joan Stanton; junior vice-president, Edith McAllister; treasurer, Irene Hendrix; chairman, Elizabeth Bergh; conductor, Vera Schilling; guard, Eva Durham; and three-year trustee, Mabel Clark.

An installation will be held at the VFW hall, Nov. 3 preceded by a potluck dinner at 6:30 p.m. A luncheon was served by Laura Flack, Freda Branding and Grace Branding to approximately 85 members.

Eta Alumni Chapter Meets

An appropriate Indian summer theme was used in the appointments of the party given by Mrs. Marguerite Leow and Mrs. Ruby Overbeck last night for Eta Alumni Chapter of the Phi Tau Omega sorority in the Leow home on Old Altam road.

Huge tomahawk pencil favors were presented to the guests and on the refreshment tables were centerpieces of dolls, vases and other Indian relics, all carrying out the autumn colors, yellow predominating.

Prizes in the games were won by Miss Celestine Lucas, Mrs. Rosalie Gabriel, Miss Irene Hayes, Mrs. Dorothy Johannig, Mrs. Dolores Rapp, Mrs. Irene Louis and Mrs. Mary Margaret Graham.

Others present were Mrs. M. Jennings, a guest, Mrs. Margaret Holland, Mrs. Theima Graham, Mrs. Melba Tarpey and Mrs. Mildred Jungles.

GIRL SCOUTS WILL HOLD RE-DEDICATION

Girl Scout Troop 101 of Sacred Heart school met Wednesday afternoon in the home of Mrs. Margaret Kwarkowski, 2413 Jerald avenue and made plans for a re-dedication ceremony Oct. 21 at the Sacred Heart School. Three Brownies will fly up to become full fledged Girl Scouts. They are Maurine Hays, Maurine Nolan and Connie Jungles.

All of the Scout mothers are invited to the ceremony.

Miss Stoyanoff Is Hostess

The home of Miss Ruth Stoyanoff, 1211 Iowa street, Madison, was the place of meeting last night for Xi Epsilon chapter of Beta Sigma Phi.

The hostess, who is president, was in charge and a trip to Grant's Farm for members and their families was planned for Saturday.

The cultural program, "The End of Life," was presented by Mrs. Beatrice Brackett and Mrs. Marcella Ashford.

Mrs. Stoyanoff received the special prize and another prize winner was Mrs. Est. Tsiganoff. Games were played after the program and refreshments were served.

UF Contribution By Ladies' Aid

The Macedonia-Bulgarian Ladies' Aid society met at the Holy Trinity Bulgarian Eastern Orthodox Church, 1200 Grand avenue, Tuesday afternoon for the first meeting of the year. Vice-president, Mrs. Mary Andrie, presided.

Reports were given by Mrs. M. H. Stoyanoff and Mrs. E. Andrie. Mrs. Nevada Kallioff read the quarterly report.

A children supper was planned for Nov. 14 to be held in the church recreational hall.

A donation was made to the United Fund. Twenty-five members enjoyed refreshments served.

Rev. Sagen Returning To Texas; Here 9 Years

Rev. George Sagen will conclude his ministry with the First Baptist Church of Granite City Sunday, Oct. 18. He came here in April 1955 from Greenville, Tex., and will return to the same city to be on the staff of the First Baptist Church of Greenville. He had been pastor for nine years of the Washington Street Baptist Church in Greenville.

The nine and one-half years since 1955 is the longest pastorate the local church has ever had. Rev. Sagen, who describes his stay here as a "wonderful experience," also filled the local pulpit for five months in 1945-46, when he was stationed at Jefferson Barracks, Mo., as chaplain.

He has served twice as moderator of the Madison County Baptist Association and was moderator when the churches at Altam created their own association. He also has served on various associational committees, his being being teacher in the Seminary Extension Course.

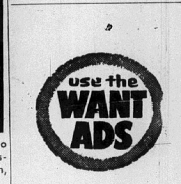

Rev. Sagen was on the original committee when a golf course near Altam was purchased. It is now known as the Madison County Baptist Camp and Recreation Center.

He has been president of Madison County by the hostesses, Mrs. Mary Andrie and Mrs. Helen Hinters. The next meeting was set for Nov. 13.

REV. GEORGE SAGEN, who will conclude his duties as pastor of the First Baptist Church, Granite City, Oct. 18.

educational building and also installed air-conditioning. Rev. and Mrs. Sagen are going back to the town from which they came, partly to be nearer their two sons and their families.

Switch to Wool-Mohair Continues, Two Button Popularity On The Rise

Support for "luxury" fabric suits of fine wool worsted and mohair is seen on the increase, late reports confirm, as men find out about "hidden" values such as season-to-season wear, light weight, wrinkle resistance.

The wool-mohair upswing is matched by a growing preference for two button styling, which gives long, trim lines to any silhouette.

The new popularity of traditional natural fibers in a combination is also due to a full color range now available. Men's clothing experts predict a long-range groundswell in favor of such "luxury" suits that embody sensible advantages when worn.

(GAME TIME: 8 p.m. Friday at Granite City high school athletic field, Southwestern Conference game.)

Coach Ralph McClain's Redbirds have been beaten soundly in their first three games but they'll get no sympathy from the Granite City Warriors (2-1-0), still smarting from last week's 6-0 defeat at Collinsville in the first conference contest.

The GCHS coaches and players know they must keep on the winning track from now on if they hope to win the school's first Southwestern football championship since 1946.

The Warriors held a 3-4 Monday afternoon scrimmage this week, a session that included a solid hour-and-a-half of full tilt action under game conditions.

"Alton uses a defense similar

from safety to halfback where the can have a crack at the end sweeps," with offensive split end Leonard Reville going to safety. "Reville and Jim Hains have a war on for that spot," he said.

Alton Defense Weak

McClain says he has problems aplenty, among them inexperience, lack of speed (Andrew and Leroy Johnson have graduated) and a weak defense.

"Every team we've played has scored two or more touchdowns on us," he said. "Our offense is improving but our tackling has been real poor." The Redbirds lost to Quincy 12-0, Alton 14-0 and Quincy 14-0 for the first time in history and East St. Louis 12-7.

But Morrison warns: "Our scouting reports indicate they're the best-improving team in the area; they'll be a real tough opponent. Speed is a relative thing. They're the best of the Johnson boys, but they're still out in the backfield than we are."

Since the two schools first met on the football field in 1921, the Redbirds hold a big edge over the Warriors with 26 wins against 14 losses and two ties. GCHS hasn't beaten Alton since taking a 7-0 decision in 1958. The 1961 game ended in a 12-12 tie.

Warriors Take First CC Meet By 22-34 Score

Taking five of the first seven games, the Granite City high school cross-country team posted its first victory of the season Tuesday with a 22-34 (low score wins) decision at Chokio.

The Comber Henry Garza won in 10:20, but Warriors Jim Stephens (10:23), Steve Stamps (10:25) and Mike Forcade (10:29) ran 2-3-4. Granite City's Dave Lomax (10:36) was sixth and Gus Schalkham (10:37) was seventh; both are sophomores.

It was by far the best showing for Coach Dick Harmon's runners as the five point-makers finished in a span of 14 seconds. Finishing 10th but out of the scoring was Bob Yates in 10:42.

The Chokio junior varsity scored a tight 27-29 decision Tuesday for Granite City won Larry Ripka (11:24), second, Paul Hopper (11:35), third, John Bohnerich (11:40), seventh, Bob Alford (11:48), eighth, and Mick Kawa (11:48), ninth.

The Warriors take on Assumption of East St. Louis at 4 p.m. tomorrow at Jones Park.

Venice Defeated by Triad, Fairview; Bunker Hill Loses, Two Tie for First

Venice's Red Devils, nearing the end of their fall high school baseball schedule, took a pair of non-conference losses this week. The Devils lost 11-3 to Triad Tuesday and then dropped a 9-6 decision Tuesday to Fairview at Jennings, Mo. The setbacks gave Venice a 3-4 overall record with two games remaining with Jennings high, here tomorrow and there Monday.

Venice finished in a two-way tie with Livingston for the Madison-Clinton-Madison Conference championship with a 5-1 record. Missing a chance for a three-way tie, Bunker Hill lost Monday to Aviston 3-2 and finished second with a 4-2 MCM mark.

Opponents' two-out explosions hurt the Devils in both games this week. Triad scored seven runs in the fourth inning after two were out on two errors, three walks and five hits. The Redbirds suffered a knee injury on the first play of the WMA game and has been sidelined since. He is expected to play on defense but not offense against Madison.

The top two quarterbacks, Jim Bisher and Ed DePriest, are out with broken bones so Gary Moskop has been called up to fill the gap. Then last week, the Tigers' best running back, Don Glenn, suffered a broken bone in his hand and will be lost for three to four weeks.

This leaves a transfer from Guatemala, Salvador Roldan, as the only survivor of the original starting Dupo backfield. Roldan has been playing well but is still adjusting to football after playing a lot of soccer in Latin America.

Picketing said Alton Rendell, kept strictly on defense last week due to a broken hand bone, will be ready for full-time duty and that tackle Tom Miller, slowed by a virus, appears to be completely recovered.

In the 20 times the teams have met, Madison has won 12, lost seven and tied one.

Sophs Win 13-6 Over Collinsville

Revenge for the varsity was the motive, and Granite City high school's football sophomores won a 13-6 decision over Collinsville in a rough game here Monday night.

The young Kahukes took a 6-0 lead in the first quarter but the Warriors, coached by Leon Chapell and Babe Champion, took the lead in the second period.

Two passes from Steve Conway to Ron Anderson, good for 29 and 33 yards, took Granite City to the three-yard-line from where fullback Dan Partney hinged over the line. He also kicked the extra point for a 7-0 halftime lead.

The Warriors scored in the third quarter on a 30-yard pass by Partney and 14 by Ron Turner. Jim Norris went the final yard to score.

Partney was the leading ground-gainer, carrying 18 times for 72 of his team's 123 yards rushing total. Collinsville's touchdown came on a 54-yard return of a blocked punt.

The Warriors determined following the annual men's play day of the Granite City Trust & Savings Bank Oct. 3, Sunset Hills Country Club were announced yesterday at the bank. Allen Jesse earned the fishing award, and golf trophies went to Anthony Zedek, first, Marvin Boyer, second, and John Polson, third.

Winless Dupo Calls on Winless Madison Tonight

Losing streaks, like the fabled albatross, are hard to shake off. But at least one high school will put an end to a long string of defeats tonight when Dupo's Tigers, who have stumbled in their last 12 games, call on the Madison Trojans, losers of six consecutive contests. Kickoff is at 8 o'clock at the MHS field.

A tie, of course, would end the losing streak for both sides. But ties aren't popular with football teams—they play to win. Win is something Dupo hasn't done since the last game of last season (13-8 over Bethalto).

This year, both squads have lost three times and the Trojans have yet to score, losing 20-0 to Edwardsville, 62-0 to Granite City and 20-0 to Sunset Hills Country Club.

Dupo lost its last game, 33-6, to Alton 13-12, Alton 33-6 and Highland 23-0.

Darkhorses Stalled

Both teams were tabbed as Midwestern Conference "darkhorses" by coaches in pre-season conversations. But the darkhorses were left in the starting game with shut-out losses as the league opened last week.

Both coaches indicated they expect a close game and that.

Petrillo Retains Area Scoring Lead

Although shut out in last week's 6-0 loss to Collinsville, halfback Nick Petrillo of Granite City holds the area high school scoring lead with 30 points.

Burns, who scored four times in the 62-0 rout of Madison, is tied for the honor with Belleville Althoff's Tim Battaglia, a quarterback.

The Warriors' second-highest scorer is fullback Gary Johnson with 12 points.

The road to success is paved with grit and sand.

Madison Grid Teams Beaten by Cahokia, West JHS of Alton

Football squads at Madison high school are still looking for their first victory of the season after the freshmen-sophomores lost to Cahokia 18-6 Monday and the freshmen were defeated 36-20 Tuesday by West Junior high school of Alton.

Coach Bob Page saw improvement, however, in the freshmen, who lost to Cahokia 51-0 last year. The only score by the young Trojans came on an eight-yard run by Sam Jones in the fourth quarter.

Cahokia's scores were all in

The first half on runs of 46 and 47 yards by Don Gilmer; and a 33-yard pass play from Clarence Hoefner to Dave Keith.

Madison's freshmen, in a late addition to the schedule, took on Alton and also fell behind 18-0 at the half. Howard Green scored two touchdowns on 15 and eight-yard runs and added both extra points. Robert Kern scored the other TD on a 12-yard end sweep.

Page had praise for sophomore backs Jones, Steve Shipcoff and Ron Burt and end Neil Rodabaugh. Freshmen singled out were backs Kern, Green and Leonard Adams and right guard Dallas Thompson. The two games in two days were a rugged test for the freshmen, which played the entire game against Cahokia while the sophs took the offense.

Both squads are winless in two games.

Punt, Pass, Kick Entries to Close

Tomorrow is the final day for registration for annual Punt, Pass & Kick competition scheduled for 1:30 p.m. Sunday at the Granite City high school football field.

Boys, aged eight through 13, may enter at B. E. Hohl Ford, 1837 Madison avenue. Seven-year-olds who will reach their eighth birthday by Jan. 3 may compete; 13-year-olds who become 14 on or before Jan. 3 are not eligible.

Competition for the various age groups will be in punting, passing and kicking a football, with points awarded for distance and accuracy. No special footwear is required for the local contest.

Dick Yates, public schools' athletic director, is in charge of the contest sponsored by the Ford Motor Co. and the National Football League. In case of bad weather Sunday, the contest will be held at 7 p.m. next Thursday.

BOW AND ARROW KILL was registered by Glenn Wright, 2020a Grand avenue, as the bow-hunting deer season got under way this week. Wright wounded the 135-pound doe with one shot from a range of about 35 yards. The hunter and a companion, Mike Mueller, then trailed the deer and found about 300 yards away. The kill was made in Pope county.

Picks 'em

W-o-o-o-e is me! Your sweet little old Granny is a sick old

Granny. Not feverish sick—more a case of the "bad prognosticating blues," if you know what I mean.

I did so poorly last week that the sports editor didn't even yell at me this time. He just smiled, patted my head (messing up my bun) and told me it was all right. I understand that in the sports world a vote of confidence often precedes a pink slip.

Jimmy! Well, nobody's going to fire me! I'm going to pick 'em all this time—if I have to send the girls from my knitting club to the games for a little needle-poking to prod the boys onward and go forward.

And I betcha Granite City would have won last week if it hadn't been for that silly old line of cribbage or whatever. Football is so complicated.

This time I pick 'em with a new system—throw dice from my Monopoly set. Certainly wouldn't have dice around the house for any other reason, would I? Toodle-o.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

Squirrel hunting has changed the last week or so with the animals carrying a lot of nuts instead of staying in the hickories and eating. Some are also cutting in burr oaks and many have moved out of deep timbers. They are in fence rows and small

plate close to the corn fields where some are now cutting. As at this time of the year hunters have to watch the ground as well as the trees. The limit was taken one morning last week right after a rain, from a pasture timber. To my notion you cannot beat these pasture

timbers that have cattle in them, especially if they have hickory trees, too. Dove hunting has slowed down as it normally does at this time of the year. There was some good road shooting activity, however, in the New Douglas and Sorento area last week. Some fellows still like to try the easy way. After apprehension of two youth in a convertible, the activity has slowed down and there have been no further complaints.

With the cooler weather, some trappers are beginning to get the fever and are scouting spots already. Several reliable trappers are interested in contacting farmers who want the muskrats removed from their pond this season.

Any pond owner interested can send a postcard and I will forward it to the trapper.

Muskrat Removal

This places them in the hunting category and a license is needed.

Also remind them that sparrows, pigeons and starlings are the only birds that are not protected by law. Both the long-tailed blackbird or grackle and the red-winged blackbird are protected and should not be shot.

Express Bus Routes Growing, But Not Yet Self-Supporting

Two experimental "express" bus lines established in the Quad-City area by the Bi-State Transit System continued to show favorable growth over three months of a one-year trial period, but have a long way to go to become self-supporting, Carl S. Robinson, administrator of the system, told a meeting of the Bi-State Development Agency in St. Louis Tuesday morning.

Results of the two Quad-City lines—which show the weekly customer load has more than doubled during the three months of trial runs—were included in a report on the operation of nine such routes established under a federal grant. The other seven are St. Louis routes, four of which have become self-supporting.

Robinson's report showed the Granite City express route carried only 70 passengers during the first week of May 18, but the number increased to 101 within two weeks, to 121 by June 15 and to 131 during the last week of June. During the week of June 20 the route was carrying 146 passengers, and the last week covered by the report, the week of Aug. 19 showed a passenger load of 149.

The Pontoon Beach route has

Granite City PRESS-RECORD
Thurs., Oct. 8, 1964 Page 9

shown even greater growth. The first week of its operation, the week of May 18, buses carried 79 passengers, but the weekly load increased to 126 by the week of June 15, to 156 the week of July 6, to 172 passengers the week of July 27, and 191 passengers the week of Aug. 10.

Reports Revenue Deficit

John C. Baine, transit system president, reported during the meeting that a continued decline in passenger revenue for the Bi-State Transit System resulted in deficits of \$88,000 for August and \$176,000 for the first six months of the current fiscal year.

Baine pointed out, however, that July and August are "weak months" in transit operation and that reopening of schools and other activities will result in a better revenue picture for October through December. The six-month revenue ran about \$115,000 below the budget while operating expense was about even with the budget, he said.

Robinson pointed out that the four experimental lines which have become self-supporting undoubtedly will be continue after the one-year trial period ends.

School Boards of Four Counties to Convene Tonight

Several hundred school board members from Madison, St. Clair, Monroe and Randolph counties will gather at Granite City high school this evening for their fall conference and dinner.

After open house tours at 5 o'clock and a banquet program starting at 6 o'clock, panel discussions are planned on five topics from 8:15 to 9:45. The topics are: "The Southwestern Division, Illinois Association of School Boards, will divide up for the panel talks, which will take place in different rooms."

"The Longer School Year" will be discussed in Room 213 by Bobby Joe Davis, Central Junior high school principal, Ralph W. Robert, Alton high school biology teacher, and Harry R. McPhail, regional supervisor for the state superintendent of public instruction, with Granite City School Board Secretary Ronald Dillard serving as moderator.

Other discussions will deal with "The Role of a School Attorney," "Federal Aid in Illinois Schools," "Board-Administration Staff Relations" and "Fringe Benefit Programs."

A workshop on custodial maintenance also is scheduled for 7 o'clock to 9:45. The banquet speaker will be Rev. Walter J. Mohl, pastor of the First Presbyterian Church, Edwardsville, whose topic will be "Educating for Responsibility."

Eugene Sheppard, 58 Businessman, Dies

Eugene E. Sheppard, 58, of 2639 Lincoln avenue, died at 2:55 a.m. Wednesday in St. Elizabeth's Hospital where he had been a patient eight days. He had been ill two months. Death was attributed to uremia complicated by high blood pressure.

Mr. Sheppard was born in St. Louis but moved to Granite City 55 years ago. For the past 25 years he had operated the Gene Sheppard Refrigeration Service at his home address. He was a member of Masonic lodge 877, Fraternal Order of Eagles and the Moose and Elks lodges in Granite City.

He is survived by his wife, Mrs. Elizabeth Sheppard; a daughter, Mrs. Harold (Barbara) Landwehr, Manchester, Mo.; two sisters, Mrs. William (Alice) Scharringhausen, Granite City, and Mrs. Robert (Bonnie) McLean, Edwardsville, and two grandchildren.

An obituary notice is given elsewhere in this issue.

Mitchell Kiwanis Plans Dinner for Thomas Smith

A recognition dinner honoring Thomas Smith of Clearwater, Fla., a past president of the Mitchell Kiwanis, is to be com-

blined with a ladies' night event, at 6:30 p.m. Monday, at the Lina Cafe, Mitchell. Plans for the dual affair were completed Monday night during a regular club meeting at Art and Norma's Cafe.

Smith and his wife are presently staying in Mitchell on an extended vacation. He formerly operated Smith's Cafe and retired from business last December.

Youth Sent to Jail; Non-Payment of Fine

Lloyd Brooks, 17, of 2031 Bryan avenue, who was arrested and fined \$54 by Magistrate William Traband Monday for failure to pay a previous fine, was taken to the Madison county jail at 7:45 p.m. Tuesday as he still was unable to pay the amount.

Previously he was to work out the fine, but he worked only two days and did not report again. The youth also is scheduled for trial next week in Madison county circuit court at Edwardsville on an indictment charging him with taking indecent liberties with a minor.

\$933,891 In New GC Building In Month

Industrial, Housing Activity Dominates As Record Set for Year

Granite City's building permits came close to the million dollar mark last month.

A total of 98 permits listing values amounting to \$933,891 were issued by Earl Bloomquist, building inspector, and City Clerk A. L. Stevens to set a monthly record for the year. Most of the permits were obtained during the first half of the month, dominated by industrial and housing construction.

The activity also topped any month during the past several years. The previous high month this year was January when 25 permits had a total value of \$769,545.

Nineteen permits were issued for commercial-industrial purposes with values of \$527,610. Included were a new General Electric Industries building for \$182,000 and an addition for \$131,000, and a value adjustment for a D. Smith Corp. construction at \$107,000.

Mathias Heads C. of C.; Elect Kaseberg, Annette, Michel

Carl E. Mathias, manager of the Illinois Power Co. service area, which includes a large part of Madison county, was elected Tuesday night as president of the Tri-Cities Chamber of Commerce for the October 1964-September 1965 year.

Mathias, who resides at 34 Oaklawn drive, has been a vice-president of the Chamber for the past two years.

New vice-presidents are Howard Kaseberg, Lakeview Farms and Dale Annette, Kettele Pattern Co., succeeding Mathias and Homer A. Huber, Anthony E. Michel, Michel Jewelry and Gift Shop, and Dole Annette, succeeding Robert Backs.

The nominating report was submitted to the board of directors by Samuel L. Meyer. Other committee members were Paul Lichtnerberger and Ernest E. Veith Jr.

Mathias praised Chester L. Baker, retiring president, for his extensive efforts as president during the past two years.

Directors Introduced
Newly-seated board members introduced were Arthur E. Buerke, James G. Holland Jr., William Kozayak, Melvin O. McGowan, W. Fairley, A. J. Dole, D. Roseman, Jr., Fred T. Vold and Dr. Irvin Wiseman. Other three-year terms are Nicholas R. Brink, Kaseberg, R. W. Key, Ralph A. Morris II and Howard D. Goewert. Howard A. Goewert, who served as president of the "Role of Leadership," which described functions of a typical Chamber of Commerce and its role in business development, public affairs, legislative action, organization, improvement and community betterment.

The C. of C. was commended for the "only organization able to work full-time in building a better community."

Booklets entitled "The Key to Being a Successful Director" were distributed to board members.

SWU Membership
Chamber memberships were approved by Belton H. Hovick and the Imperial 400 Motel. A complimentary membership was issued to Southwestern Illinois University.

Chamber reported on the Tri-City Port dedication sponsored by the Chamber and Mathias reviewed the 46th annual Illinois Manufacturers and Commerce meeting held in Chicago last week, noting that there is business opportunity.

Expect Capacity Crowd At Cavallaro Concert

A capacity audience is anticipated Sunday for the appearance here of Carmen Cavallaro, the "Poet of the Piano," in the first concert of the Tri-City Community Concerts Association.

The concert will be open with a versatile repertoire by Cavallaro in the Granite City high school auditorium Sunday, beginning at 8 p.m.

Because of extensive interest in Cavallaro's appearance, the concert Tuesday night will be the last of the series. The seating will be for the Sunday afternoon concert, which is being planned during the afternoon at Sunset Hill Holiday Inn.

The candidates are to appear in Edwardsville at 8 p.m. at the American Legion park for a meeting sponsored by the Edwardsville Democratic club and precinct committeemen.

Service Stations Burglaries Pipe Theft Cases

Two pipe thefts and two service station burglaries were included among eight theft reports filed with area police and reported this week.

Leo Wolf, manager and contractor at the Pontiac Plaza apartment complex, reported at 7:40 p.m. Tuesday that two persons were seen taking a bundle of five or six galvanized 3/4-inch water pipe, each 20 feet in length at 8 p.m.

Bill McMurry of the Yellon Supply Co., 20th and Adams streets, reported at 9:10 a.m. Wednesday that during the night 10 pieces of 10-foot long, four-inch cast iron pipe had been stolen.

Service Station Looted
Patrolmen passing by the DX service station at 14th street and Edwardsville road at 1:45 a.m. today discovered that burglars had knocked boards from the door and that the place had been looted.

They found the cigarette machine was broken, a large amount of cigarettes was missing. The coin box with an unknown amount of cash had been taken. Carl Anderson, proprietor, reported later that a red hydraulic jack, five cases of assorted soda, four gallons of anti-freeze and various cans of polish, radiator flush and other items also were missing.

Richard Long, 25 Moorland drive, Mitchell, reported to county authorities that between 11 p.m. Tuesday and 6:30 a.m. Wednesday his service station at Highway 3 and Bypass 66 was looted and a cigarette machine was broken open. Entry was gained by breaking the door glass.

**Land Bids Opened
At Levee Meeting**
Sealed bids on two tracts of land offered for sale in the area by the East Side Levee and Sanitary District were opened at the regular monthly meeting of the trustees last night in East St. Louis.

Tract No. 1 contains about 22 acres and is located east of Mayville road and south of St. Louis and Alton roads, bounded by Howard T. Robertson, \$18,500; Harry DeFazio, \$15,800; John Spataro, \$15,770; and B. J. Gitchie, \$13,300.

Tract No. 2 contains about 40 acres northwest of Mitchell near the intersection of Highway 3 and Bypass 66. Bids were \$18,500; Harry DeFazio, \$15,800; John Spataro, \$15,770; and B. J. Gitchie, \$13,300.

No action was taken on the bids and they were referred to the finance committee. The land involved is abandoned levee areas.

The board recently decided to offer abandoned land for sale on a sealed-bid basis and entered among potential purchasers is indicated. Both tracts had been approved.

Start in Spring
One told the board that it would be impossible to make the project any cheaper. He said it would be started in the spring and that he thinks competition among contractors will be heavy which could lead to lower bids.

The engineer's report showed that a house would be considered for sale at \$100,000. The minimum fee for use of 320 gallons of water per day, a trail and one-quarter unit per room; tavern, one unit; businesses, one unit; churches, one unit per 20 pupils.

A summary shows there currently are 242 houses, 75 trailers, 24 motels, 41 businesses and 400 pupils.

Types of Units
Included are 1407 houses, 21 trailers, 24 motels, 41 businesses and 400 pupils.

Moel told the board that preliminary plans are not yet completed but are awaiting one more topographic aerial map.

Society Plans Charity Work

The Macones Society held a monthly meeting Tuesday evening in the home of Mrs. Dale Brackett, 2346 Woodlawn ave.

Mrs. Jim Corbin, president, conducted the business meeting and accepted reports from Mrs. Edward Lorton secretary and Mrs. William Sage, treasurer.

A discussion on purchasing tennis shoes for needy school children was held with the club.

Mrs. Corbin announced a bowling league being operated for retarded children at Howland lanes each Saturday and asked for volunteers to provide transportation.

Mrs. H. P. Bous, who was to be guest speaker, was unable to attend and instead invited the club to her home, 2413 Cleveland blvd., for the next meeting on Nov. 3.

Refreshments were served by the hostess to Mesdames William Brewer, Frances Grote-Sue Cook, Mary Robinson, Joan Bergman, Diana Korosog, Barbara Johnston, and Miss Dianne Sellers.

The fellow who stays on the level in his dealings with others has fewer ups and downs.

Mothers to Aid In Installation

DeMolay Mothers club members were hostess for a family dinner Tuesday evening at the Masonic Temple. Approximately 50 attended.

Following the dinner the DeMolay mothers held for their meeting, as did the mothers Mrs. Depolis Beasley, president, was in charge and opened the session with the pledge of allegiance.

New members welcomed and introduced were Mesdames Marjorie, Mrs. Martha Eberhart and Mrs. Bernice Fitzpatrick presented reports. Tentative plans were made for the annual Christmas party, with final arrangements to be completed at the next meeting.

Mrs. Beasley announced a DeMolay public installation at the temple Oct. 20. All parents and friends are invited to attend. Mothers will serve refreshments following the event and will chaperone the dance.

The meeting was adjourned with the Mothers' Creed given in unison and the mothers viewed a film on "The Purpose of DeMolays," shown by Charles Meyer.

Those present were Mesdames Marie Goss, Elsie Henley, Betty McClintock, Thelma Morris, Doris Matthews, Marie Naeve, Evelyn Ringering, Mantha Rochester, Verna Stewart and those named.

The next meeting is scheduled for Nov. 3.

Beta Sigma Phi Holds Meeting

Tota Psi Chapter of Beta Sigma Phi met last night in the home of Mrs. Pat Takamizawa.

Mrs. Sally Steegmeyer, vice-president, presided and a report was given by the secretary, Mrs. Joyce Moore, and standing committee. Plans were made for a Christmas project. Tentative arrangements for a number of parties were postponed until the spring and the group discussed a Halloween party for children of the members Oct. 21 in the home of Mrs. Max Merz.

An invitation was read to an open house to view the facilities of Hope School made possible by fund-raising projects of sister chapters.

The school for the blind and for multiple handicapped children is located at Lake Springfield.

The hostess served refreshments to the above and Mrs. Marilyn Harris, Mrs. Jackie Harshbarger, Mrs. Shirley Jo Brook, Mrs. Carol Merz, Mrs. Jo Ann Macior, Mrs. Mary Herman and Miss Alne Davis.

Guest Day Plans By Garden Club

Members of the Thornridge Garden Club were entertained Wednesday in the home of Mrs. Frank Handfelder on Thornridge drive.

The club collect was read by Mrs. Mary Markham and Mrs. Carolyn Moser, president, was in charge.

Plans were formulated for a guest day breakfast Oct. 13 at the home of Mrs. Geneva Paul in Sunnyside Acres, and for a party for patients at the Alton State Hospital Nov. 14.

Refreshments were served by Mrs. Handfelder to Miss June Markham and Mesdames Beulah Miller, Pat Polley, Markham, Lillian Delpe, Wanda Kincaid, Paul and Evelyn Lewi.

Quilting Session For Hope Circle

Hope Circle of Nidderhous Memorial Methodist Church met Wednesday at the church for a morning of quilting, followed by a dessert luncheon and a program in the afternoon. The hostesses were Mrs. Ethel Roiland and Mrs. Winifred Reimer.

Mrs. Earlene Miller conducted the devotional service taking the topic "The Open Door" by Faith Baldwin from the church magazine. Woman's Day. Mrs. Pearl Campbell gave the lesson "Where We Can Get Help" taken from "The Methodist Woman, a church publication."

Mrs. Van Best, leader, was in charge at the meeting. Fourteen members and a guest, Mrs. Elva Miller, were present.

MOTHERS OF TWINS TO ATTEND CONVENTION

The Mothers of Twins Club met Monday evening in the home of Mrs. Elizabeth Niepert in La Juan Hill and planned to attend the Mothers of Twins state convention in Decatur Oct. 17. Other business was discussed.

In games, prizes were won by Mrs. Helen Rehagen, Mrs. Millie Schubert and Mrs. Pearl Powderly. Others present to whom refreshments were served were Mrs. Pat Kent, Mrs. Salie Sladky, Mrs. Pat Hartman and Mrs. Shirley Heath.

OFFICERS ELECTED BY SUNDAY SCHOOL CLASS

The Sunday school class met Monday evening at the Pontoon Church of Christ for an election of officers.

Those elected were Mrs. Irene Dawes, president; Dorothy Lencaster, vice-president; Corrine Kreher, secretary; Lucille Klug, treasurer; Jane Ellsworth, visitation committee chairman; Annabelle Murphy, telephone committee chairman; and Aline Robertson, get-well chairman.

The group discussed sending cookies to college students and letters to servicemen. Meetings were set for the first Tuesday of each month at the church.

Refreshments were served by Mrs. Vivian Ellis to those mentioned and Mesdames Bernice Snider, Eva Richardson, Lorraine Richardson, Vivian Ellis, Mae Belle Van Scoyk, Doris Stewart, Julia Bolton and Hazel Lemanax and Miss Jeanne Funkhouser.

LOCAL FAMILY ENJOYS GEOLOGICAL TRIP

Mr. and Mrs. Jacob Gettleman and children, Alan and Sally, and Dennis Patterson went on a geological science field trip Sunday, sponsored by the Illinois Geological Survey division, in the Edinburg area, which includes Sangamon and Christian counties and the Taylorville and Divernon quadrangles.

The group assembled at Edinburg high school and inspected an active coal mine. Later, it went to a new city oil field and saw oil well drilling.

The group also visited Brunk quarry and held a picnic lunch at Lake Springfield, after lunch going to Edinburg quarry and gathering fossils found in limestone.

Eighty-six cars and four buses made the trip.

FOSTERS ENTERTAIN WITH DUAL PARTY

Mr. and Mrs. Horace Foster, 3844 Lake street, entertained with a double birthday dinner Sunday for their daughter, Frances Moore, and granddaughter, Shelley Gullen Boyd.

The tables were centered with a chocolate cake topped with pink, yellow and white flowers.

Dinner was served to Mr. and Mrs. Max Boyd and children, David, Tim, Tomma and Shelley, of Collinsville, Mrs. Frances Moser and daughter, Tamara, Mr. and Mrs. George Vesel and children, George II and Tracey and Daniel Hogan.

The honorees received many gifts.

NEW BROWNIE TROOP MEETS

A new Brownie Troop met Tuesday evening with the leader, Mrs. Sharon Snider, and co-leader, Mrs. Nadine Taylor.

The girls said the Brownie promise, learned the Brownie handshake and repeated the pledge.

After making of black cat masks, refreshments were served to Cindy Snider, Cynthia Taylor, Gulea Rodgers, Janet Bunselmeier, Rebecca Boyles, Roberta McKeel, Debra McKeel, Sandra Duvall, Shirley Cawley, Janet Cawley and Debra Hand.

MRS. ROSALES HOSTESS TO YOUNG MARRIEDS

The Young Married Women's club met Tuesday night at the home of Mrs. Nancy Rosales, 4064 Lake drive. A short report was given by Mrs. Shirley Evans.

Games were played and refreshments were served by the hostess to Mesdames Shirley Flaeger, Linda Stroud, Phyllis Ficker, Shirley Evans and Loretta Cox.

TROOP 221 MEETS WITH MRS. GETTLEMAN

Junior Girl Scout Troop 221 met Tuesday evening with the leader, Mrs. Ethel Gettleman.

The meeting opened with a song and the Girl Scout promise. The girls reviewed the Girl Scout laws, discussed badge work, played games and worked on handicraft.

Refreshments were served to Judy Meyer, Judy Baker, Sandy Deatherage, Charlene Kennerly, Vickie Patterson and Sally Gettleman.

8-Month Sentence For Running House Of Ill Repute

All of the criminal cases except one that were scheduled this week in Madison county circuit court at Edwardsville have been continued to the weeks of Oct. 13, Nov. 3 and Nov. 16, the state's attorney's office reports.

William "Clyde" Ford, 44, of 2 National Blvd., Collinsville township, pleaded guilty Wednesday to a charge of keeping a place of prostitution and was sentenced to eight months on the state prison farm at Vandalia and fined \$500 by Chief Circuit Judge Joseph J. Barr.

He had been indicted on two charges, County Sheriff Barney Fraundorf said the trial was called and he had his witnesses ready to testify when Ford pleaded guilty.

Two women who were indicted with him on prostitution charges, Dolores Williams, 25, and Bobbie Grant, failed to appear and their bonds were forfeited.

Delay Murder Trials

The murder trials of Roy Rutledge, 34, of Maryville township of Granite City, and Bryan C. Stone, 32, of Wood River, known in Granite City police records as "Red," were continued to Nov. 9. They are charged with the fatal shooting of a Wood River bartender during a burglary of a Wood River tavern. The burglary charge is listed on next week's docket.

Other cases continued are those of Earl Sidney Davis, 21, of 1908 Fifth street, Madison, charged with aggravated battery; David Gann, 18, of 2200 Terminal avenue, armed robbery; and Gann and William Eugene Evers, 19, of 2227 East 24th street, burglary.

Elbert Eugene Allen, 22, Granite City Army Depot soldier, attempted and armed robbery at Life's drug store; Jerry Kenneth Jordan, 19, of 1740 Market street, Madison, burglary and theft.

Next Docket

Cases scheduled for next week include Gary Gene Culin, 20, of Poag road, former Glen Carbon boy charged with the kidnapping and killing of an aged Glen Carbon resident about six years ago; David Nelson, 24, of 2200 Grand avenue, burglary; Mrs. Marion Heidbrink, 41, of 4933 Willow lane, theft of \$31,000 at the Leader department store.

Runner Turned Pastor Is GC Rotary Speaker

Granite City Rotarians heard a program on his national track activities by Dr. Walter Mehl, pastor of the Edwardsville First Presbyterian Church, during a weekly luncheon meeting Tuesday at the YMCA.

In the 1500-meter track event, in the 1500-meter track event, Dr. Mehl gained national recognition when he successfully defeated international track star Glenn Cunningham in a national AAU championship meet.

Dr. Mehl, a Fulbright professor and a former dean of the liberal arts school at New York State University, began his career as a physical education teacher and track coach prior to entering the ministry. He was introduced by Dr. David B. Martz, pastor of the First Presbyterian Church of Granite City, who served as program chairman.

Glenn C. Abernethy conducted the business session, and plans were discussed by the 44 members present for the visit Oct. 20 of B. D. Cunningham of Springfield, Rotary International, at district headquarters. Ralph Morris will arrange next week's program.

Teen Dem Caravan To See Lynda Bird

An auto caravan for Teen Dems will leave Granite City at 1 p.m. Sunday from the Democratic headquarters, 20th and State streets, to the Springfield Armory for a 3 to 5 p.m. program at which President Johnson's daughter, Lynda Bird, will be a guest.

The trip is being arranged by Daniel Charovitch and it will gather other units from Madison county before proceeding to Springfield.

Charovitch said Sammy Davis and the Chad Mitchell trio also will be featured on the program which is being sponsored by the Young Democrats of Illinois.

SWIU Enrollment Spirals; Urge New Development

Southwestern Illinois University probably will be unable to meet its student commitments on the Quad-Cities-Edwardsville campus in the next few years because of the skyrocketing enrollment and the University's lack of buildings, SUU President Deloye W. Morris told the Illinois Board of Higher Education in a meeting Monday night.

Mr. Morris told the board that "serious deficiencies" are developing and that even with the present building program SWIU can see little prospect of meeting the growing enrollment problem unless immediate steps are taken.

In a board meeting at the Sunset Hill Holiday Inn scheduled as part of a two-day visit by members of the Higher Board, Morris presented an array of statistics supported by color slide-projections.

He said that with a current enrollment of 6021, SWIU is already unable to meet the educational demand in the area, resulting in the necessity of renting 17 classrooms in the Edwardsville junior high school this fall. He noted that in 1957, 80% of college bound students in the area planned to go to college away from home; by 1964, 45.5% said they would attend SWIU.

44% Local Enrollment

Forty-four percent of the Quad-Cities-Edwardsville campus enrollment comes from Madison county and only 15% come from outside of Illinois. He said the high-school drop-out rate in Madison and St. Clair counties has decreased from 36.8% in 1960 to 25.4% in 1964.

Morris said estimates indicate the total enrollment at SWIU will jump to 10,000 by this time next year and will reach 16,000 by 1970. Enrollment figures for those periods, on the basis of earlier estimates, should be 7400 and 12,000, Morris said.

The Higher Board made a tour of the Quad-Cities-Edwardsville campus in the East St. Louis campus Tuesday morning. No commitments on further grants for building have yet been made.

The Board of Higher Education is the Illinois State agency charged with planning educational expansion at the college level.

Delinquent Fine Paid

Marion Hughes, 17, of 2624 Highway 47, was taken to the Granite City police station at 10 a.m. Wednesday to be held for non-payment of a \$25 fine he paid the fine and was released.

INITIAL MEETING FOR MADISON BAND PARENTS

The first meeting of the Madison Band Parents' club was held Monday evening at the Madison junior high school.

Mrs. June Harbman, president, Mrs. Mary Allen, treasurer and Mrs. Kate Plantz, secretary, were in charge. Mrs. Markene Bolling accepted the office of vice-president, replacing Eugene Holt. The annual chocolate sale was scheduled for Nov. 7.

Members of the elementary grade school band directed by William Ledbetter entertained the parents. Refreshments were served by Mrs. Harbman, who announced that meetings will continue to be held the first Monday of each month.

MADISON GROUP ATTENDS WEEKEND CONFERENCE

"The World For The World" was the theme of a Girls' Auxiliary conference held at the Baptist Church in Effingham, Ill., through Sunday.

Mrs. Naomi James, GA director, Mrs. Eula Lively, assistant director and counselors Mrs. Pauline Pinkley, Mrs. Ruby Wood and Mrs. Delilah Garrett directed the Effingham area conference. They were accompanied by Sharon Mowsey, Linda Barnett, Jacquelyn Wright, Betty Jean Heil, Karen Burnett, Sandy Wood, Mary Lee Heil, Judy Barr, Vera Sabo and Cheryl Thomson, all members of the auxiliary.

The Madison members were guests at a summer home on Lake Sara, near Effingham, with Mr. and Mrs. Clyde Martin and their family.

The meeting opened with Mrs. T. H. King presiding, followed with a "Worship in Music" program and a get-acquainted hour. A prayer retreat followed by an officers' training clinic was conducted with group study or community missions, stewardship, prayer, enlistment and mission study.

"Advancing In Wisdom by Bible Study" was directed by Mrs. W. C. Dadds, followed with the story of Esther by Rev. B. L. Williams.

"Acknowledging My Stewardship, the Meaning of the Scepter" and special music filled an afternoon program, followed with a Forward Step clinic.

A Cinderella banquet was held with 240 girls served. Special recognition was given to the Queens, Queen Scepters and Queen Regents. The tables were decorated in gold, purple and red.

The theme of Cinderella was used, with a large pumpkin carriage and horses standing at the entrance, and the tables held large purple and pink slippers as centerpieces. Favors of small slippers, holding candy and a program were at each place setting.

Park District Square Dance Program Starts Next Week

Granite City park district's seventh annual square dance program for students in the fourth, fifth and sixth grades will begin next week at five area schools and will continue about 18 weeks, it was announced today by Park Supt. Harold Brown.

The initial session is slated for Monday evening at Namsok school gymnasium starting at 6:30 p.m. until 8 p.m. for students who attend Mayville, Frohardt, St. Elizabeth and Namsok schools. Tuesday night's program will be held at the same hour at McKinley school, a new location added this year to the square dancing instruction series.

Students from Emerson, St. Joseph's and McKinley schools are invited.

On Wednesday evening, St. Margaret Mary and Wilson school children will meet at 6:30 p.m. at Wilson school gym and Thursday night's sessions will be at Marshall and Niedringhaus grade school gyms. The latter program is to accommodate youngsters who also attend Sacred Heart and Webster.

Brown stressed that all youngsters who participate in the once-a-week square dance program at any of the five recreational centers will be taught

how to square dance by qualified instructors. No prior registration is necessary, he said, and those wishing to participate should attend any session next week at the school nearest their home.

While no charge is made for the instruction program, Supt. Brown said, each child is required to pay 75 cents toward insurance coverage. Those children who were in any of the park district's summer recreational activities and who paid the insurance fee during 1963 are not required to pay an additional 75 cents, Brown said.

Mrs. Helen Bjorkman will be in charge of the square dance program assisted by Lewis Kibort, Mike Speers and Misses Carol Berthel, Pauline Wright and Earlene Schreiber.

A fall and winter indoor roller skating program will begin Tuesday, Oct. 20, at the Stoppokette roller rink in the 1800 block of Rock road.

The program is open to children of charge to child rearing in the park district in grades through nine, Brown said. Participants who do not have rink skates may rent them at the roller rink for 25 cents per session.

For prior registration is required for the skating program to be held from 4 to 5:30 p.m. through next March 2. Youngsters will be supervised by qualified rink personnel, Brown said.

letic program of the Venice and Lincoln high schools and still more savings are assured once Lincoln high has been torn down. Examples are elimination of utility costs and insurance for the building, the superintendent explained.

A factor in the decision is the new state school fire safety code. Condition of Lincoln high is such that it would not be feasible to attempt to renovate it to conform with the stricter regulations.

Also, some school district residents have urged that the high schools be consolidated. Board members conferred briefly with a group of five parents Monday night about the Madison-Venice school boundary line.

Seven seniors were affected by the partial merger at the start of the 1964-65 school year. There are 52 students still at Lincoln high school.

CLASS PRESIDENT

The Homemakers class of Second Baptist Church met Tuesday evening for a monthly meeting.

Mrs. Charlene Sanders gave the opening prayer and devotion were led by Mrs. Arlene Smith. Mrs. Carrie Lupardus, president, was in charge of the business session.

New officers elected for the coming year were: president, Mrs. Lupardus; vice-president, Mrs. Marjorie Boger; secretary, Mrs. Lenore Wiley; and group workers, Mrs. Ruby Wagner, Mrs. Carrie Woodford and Mrs. Muriel Polivick.

Other present were Mrs. Esther Showers, teacher, and Mrs. Richardson, Norman and Nancy Sanders and Lisa Edwards. Mrs. Showers and Mrs. Lupardus.

Six and seven-year-old Sunbeams met at the Second Baptist Church Tuesday afternoon to begin a study of Malaysia, Okinawa and Korea.

The six-year-olds met with their leader, Mrs. Jean Wyatt, who told the story of a trip to

Malaysia, while the older group met with Mrs. Beverly Crown and Miss Bonnie Finnell. Mrs. Crown told a story and prayer was given.

Approximately 25 were present.

World Friends Sunbeams of Second Baptist Church met Tuesday with their leader, Mrs. Betty Lewis. Each child was presented with a World Friends booklet furnished by the Women's Missionary society.

A large mural of Malaysia was displayed as Mrs. Lewis told the story of the day. An imaginary trip was taken and the children were told of the life and customs of the people.

Plans were made to make a large book-tree on which will be placed colored leaves representing books read by the group. Each child was assigned an object to furnish for the display table. Prayers were given by Mrs. Lewis and Gwen Olive.

Others present were Gail Lewis, Gail Wilmouth, Danny McCluskey, Dennis Reynolds, Julie Whitson, Mary Beth Cross, Reubin Wyatt, Brenda Holloway, Connie Lindsey, Carol Champion and a visitor, Rachel McCrea.

RAV'S DISCUSS
WORK PROJECTS

Bob Lewis, RA leader of Second Baptist Church, met Tuesday afternoon with the new RA members. Work of the Royal Ambassadors was discussed and each boy was presented with a page manual which includes this year's projects.

Closing prayer was given by Lewis, who announced the next meeting will be at the church at 11 a.m. Saturday.

Those present were Gary Lewis, Bradley Crown, Allen Newberry and Kevin Kraus.

LOGAN PTA EXECUTIVE
BOARD MEETS TONIGHT

Logan school's PTA executive committee will meet tonight in the school faculty room.

Mrs. Faye Lewis, president, announced today that there is need for a volunteer to handle the savings stamp program at the school one morning each week.

SCOUT LEADERS NEEDED
FOR CAMPING

Scoutmaster, Logan school scoutmaster, has informed the PTA executive committee that he needs additional men to help with the Boy Scout program.

Never receives aid in the near future, some of the boys will be unable to participate for lack of leadership, Reynolds said.

Those present were Gary Lewis, Bradley Crown, Allen Newberry and Kevin Kraus.

World Friends Sunbeams of Second Baptist Church met Tuesday with their leader, Mrs. Betty Lewis. Each child was presented with a World Friends booklet furnished by the Women's Missionary society.

A large mural of Malaysia was displayed as Mrs. Lewis told the story of the day. An imaginary trip was taken and the children were told of the life and customs of the people.

Plans were made to make a large book-tree on which will be placed colored leaves representing books read by the group. Each child was assigned an object to furnish for the display table. Prayers were given by Mrs. Lewis and Gwen Olive.

Others present were Gail Lewis, Gail Wilmouth, Danny McCluskey, Dennis Reynolds, Julie Whitson, Mary Beth Cross, Reubin Wyatt, Brenda Holloway, Connie Lindsey, Carol Champion and a visitor, Rachel McCrea.

RAV'S DISCUSS
WORK PROJECTS

Bob Lewis, RA leader of Second Baptist Church, met Tuesday afternoon with the new RA members. Work of the Royal Ambassadors was discussed and each boy was presented with a page manual which includes this year's projects.

Closing prayer was given by Lewis, who announced the next meeting will be at the church at 11 a.m. Saturday.

Those present were Gary Lewis, Bradley Crown, Allen Newberry and Kevin Kraus.

LOGAN PTA EXECUTIVE
BOARD MEETS TONIGHT

Logan school's PTA executive committee will meet tonight in the school faculty room.

Mrs. Faye Lewis, president, announced today that there is need for a volunteer to handle the savings stamp program at the school one morning each week.

Camporee Heads Fall Scouting Activity List

Several hundred Boy Scouts are expected to take part in the annual fall camporee of the Cahokia Mound Council tomorrow night through Sunday. John Pokarik, Unihah district activities chairman, is chairman and Dr. Leo Coleman will discuss a campfire ceremony, pageant and entertainment at 8 p.m. Saturday.

Location will be the Cahokia Mounds State Park, with troops assigned 90x80-foot sites. Registration will begin at 4 p.m. Friday. Scouting skills, preparedness and games will be featured Saturday, with site inspections Saturday and Sunday mornings and religious services held Sunday morning. A "frontier roundup" theme will be followed.

Unit roll calls and uniform inspections are being held through Oct. 15, with all units, Scouts and explorers scheduled to wear their uniforms to school on Wednesday, Oct. 21. A Unihah district committee meeting will take place at 7:30 tonight at the Elks club.

Explorer Rendezvous
The 1964 council explorer rendezvous is to be held Oct. 22-25 at Sunnyside Scout Reservation near Fobal, Mo. With highlights including canoeing, an obstacle course, archery, rifle marksmanship, shot putting and high jumping. Plaques will go to winning packs, and ribbons to outstanding explorers. Each pack will provide its own food, camping equipment and transportation.

Recommendations are to be submitted by Nov. 20 to a council nominating committee headed by G. H. Sternberg and including Leo Nichols, A. C. Stoecker, Thomas Hamlin, Floyd McCracken, Robert Simon, Gerald Walters and Dr. M. W. Grimm. The committee has been appointed by President A. P. Steinhilber to propose officers, council members-at-large and executive committee members.

George T. Wilkins, council camping chairman, has called a camping rally for 7:30 p.m. Nov. 20 at Camp Graham. Each pack and troop is being asked to send at least one adult to hear details of 1965 camp plans.

The state has allocated \$56,926 motor fuel tax funds to the county for September, it was reported this week from the Illinois Department of Finance at Springfield.

Took Campaign Photo

The picture presented recently by the Venice City Organization to Mayor John E. Lee of Venice, a reproduction of a photograph of the late President John F. Kennedy with Quadt-City officials when he was here on his 1960 campaign tour, was made by Dennis Nicholas, of Madison. Nicholas took the original picture and from it made the enlarged colored photograph presented to Mayor Lee. A picture of the presentation is published on page 35 of this issue.

Self-admiration is proof there's no accounting for tastes.

Duplicate Bridge

WEEKLY MEETING

The Granite City Duplicate Bridge club held its weekly meeting at the YMCA Monday morning under the direction of Mrs. Helen Meyer.

First place honors went to Sam Meyer and Mrs. Jerry Siebold, second place, Mrs. Blum and Mrs. Betty Caldwell, and third place, Mrs. Donna Schaffer and Mrs. Elizabeth Tiller. Fourth place was shared in a tie between Mrs. Irlly Toth, Mrs. Mary Louise Richards, Mrs. Lou England and Mrs. Helen Collins.

The Evening Duplicate Bridge club meets each Sunday at 6:30 p.m. at the YMCA. The public is invited to either session.

Senior Girl Scouts

PLAN HOBO HIKE

Senior Girl Scout Troop 224 met Tuesday evening at the Nameoki Presbyterian Church for a regular meeting with final plans made for a combined hobo hike and progressive dinner Oct. 24.

Troop members will sell tickets for chicken dinners Oct. 20. Proceeds derived from the project will be added to a fund for their trip to Washington, D. C., next summer.

Lauren Stiegle and Marilyn Bondegard, representatives of the Senior Planning Board of the River Hills Council, reported on an Oct. 4 meeting held in Edwardsville. They gave a resume of plans made for the coming year for all Senior Scouts.

Next regular meeting will be held Oct. 20 at the church. Those present included Barbara Bartoni, Nancy Benson, Jane DeLoach, Sissy, Marie Willis, Sondra Brister, Kathy McDonald and Donna Harris.

Open House Planned For Church Addition

During a regular monthly meeting of the Women's Society of Christian Service of the Nameoki Methodist Church Monday evening, plans were made for an open house for the new church addition, to be held from 2 to 5 p.m. Sunday, Oct. 11.

Mrs. Vivian Giska opened the meeting with devotions and presented a program entitled "Prayer and Self Denial." She also spoke on the many missionary fields which the Women's Society helps to support.

Mrs. Mayme West, president, conducted the business meeting and announced an evangelistic service to be held at the church on Oct. 18. Rev. Julius Webb of Grace Methodist Church of Salem, Ill., will be guest speaker. Miss Morene Greshing closed.

Junior Girl Scouts

WORK ON BADGES

Junior Girl Scout Troop 242, sponsored by the Nameoki school PTA met Tuesday afternoon at the school. After the

the meeting with prayer and refreshments were served by Mrs. Lillian Russell and Mrs. Giska. The next regular meeting is set for Nov. 2 at the church.

Senior Scouts Elect

NEW PATROL LEADERS

New patrol leaders and assistants were elected for Senior Girl Scout Troop 280 during a regular meeting Tuesday evening in the home of Mrs. Shirley Brown.

Those elected were Marie Grieve, Barbara Love and Marilyn Sueess, Kathy McCalla, Betty Moser and Sharon Waggoner. Marie Grieve and Sharon Waggoner were also elected as representatives to the Senior Planning Board. Sandy Brown will serve as troop scribe and treasurer.

Business discussed at the meeting included plans for a chicken dinner to be held on Oct. 20.

Another fund-raising project will be a bake sale Dec. 11 and 12 at the A & P store. The girls will make and sell Christmas cookies.

All proceeds from these projects will be used for a proposed trip to Washington, D.C., in the summer.

A collection was held on letters the troop sent Congressman Melvin Price for information on places to visit where a reservation is needed. Other letters were sent to the Chamber of Commerce for a list of restaurants that could serve 40 people and to the hotel where they plan to stay.

A collection was made for the Juliette Lowe fund, which is to be turned in by Oct. 31.

Sharon Waggoner reported on a meeting of the Senior Planning Board held in Edwardsville Oct. 4. Among the announcements was a visit to McKendree College for a conference of Senior Scouts of the River Hills Council, planned for late March. Approximately 450 Senior Scouts are expected to attend.

Mrs. Margie Michel, a new professional Girl Scout executive, spoke on "Communications. A newcomer to the troop, Betty Moser, was welcomed and introduced.

Other present were Sandra Brown, Sheila Coggins, Brenda Davies, Marie Grieve, Nancy Heaman, Sharon Koch, Christine Louis, Barbara Love, Karen Maas, Kathy McCalla, Marilyn Sueess, Cindy Teaty and the advisor, Mrs. Brown and Mrs. Margaret McCalla. The next meeting will be held Nov. 3.

Junior Girl Scouts work on badges. A new scout to the troop, Betty Moser, was welcomed and introduced.

Patrol One, Shooting Star, working for the Drama badge, presented a play on "Senses of Smell." Patrol Two, Bees, presented an impersonation of the Beatles. Pam Donif was "John," Beloyde Slay was "Paul," Janet Watson was "George" and Susan Mitchell, "Ringo." Patrol Three, Ladybugs, completed a flag and displayed it for the troop members.

Two new scouts introduced and welcomed into the troop were Beila Rae Bandershop from Mitchell school and Susan Mansfield from Webster school.

Pity the Poor Lineman And Post No Placards

Politics make for safety hazards, reports showed this week. Election campaigns are breaking into full swing and stickers, placards and posters are appearing in increasing numbers.

Election workers have always found utility poles the perfect place for posters, and little thought is given to the hazard they create. Too soon the posters will be downed by wind and rain, but the nails that hold them will remain.

Carl E. Mathias, Ill. Power Co. service area manager, commented.

Mathias said linemen often are injured when gaffs (their sharp-pointed spikes) strike the nail head, slide off and cause the lineman to slip. The danger is even greater at night when linemen are making emergency repairs, often in winter's worst weather.

In some instances, nails two inches long have been found in the poles.

Utilities over the country report hundreds of injuries to workmen through the posting practices of fervent but thoughtless election workers.

President Lawrence Palke, presided and called for committee reports by Oct. 21 on Rotary community service, vocational service, international service and club service from the respective chairmen.

John Frank, Frank, Leo Schermer and Harry Thebaud. An official visit is scheduled that day by District Governor Ben Kinnighan, who will confer with club officers beginning at 9:30 a.m. and then address the 12:15 luncheon gathering.

Birthdays of Sedlack and Leonard VIII were observed, and membership and attendance were discussed. Serving of weekly meals for the Rotarian by the ladies' sodality of the Nativity of Virgin Mary Orthodox Church was started yesterday.

Red Cross Board Meets. The first Granite City National Bank board room will be the scene of the October meeting of the Red Cross board of directors at 4 p.m. Tuesday, Oct. 13. Chairman Gerald G. Walters has announced. Pending business includes discussion of a chapter merger proposal.

pledge of allegiance and Girl Scout promise patrols met and designed their flags.

Patrol One, Shooting Star, working for the Drama badge, presented a play on "Senses of Smell." Patrol Two, Bees, presented an impersonation of the Beatles. Pam Donif was "John," Beloyde Slay was "Paul," Janet Watson was "George" and Susan Mitchell, "Ringo." Patrol Three, Ladybugs, completed a flag and displayed it for the troop members.

Two new scouts introduced and welcomed into the troop were Beila Rae Bandershop from Mitchell school and Susan Mansfield from Webster school.

They were at liberty under \$1500 property bonds set after they were charged in mid-September. The bonds were continued.

Meyers was charged with entering into an agreement with one of the crew, offering \$100 and spare parts to steal his car, strip and burn it in an attempt to defraud an insurance company.

The other two were seen stripping the car on a county road near Edwardsville and were arrested.

Princetonville Girl Wins U. of I. Queen Title. Mary Ann Kelly, a blue-eyed, burn-haired junior from Princetonville, was named the 54th homecoming queen at the University of Illinois yesterday and will reign over all homecoming festivities this weekend.

Members of her court include Miss Paul Bayliss, a senior and daughter of Mr. and Mrs. Ted Bayliss, 3001 Pershing avenue.

Mrs. Estelle Ogles To Undergo Surgery. Mrs. Estelle Ogles, 2837 East-tune drive, entered Jewish Hospital in St. Louis today, preparatory to undergoing major surgery Friday.

She expects to be hospitalized for about 10 days.

Bids Sought on Venice School Buses, Trucks

Sealed purchase bids for four vehicles to be disposed of by the Venice school district were called for by the school board at a monthly meeting Monday night.

Included among the vehicles to be sold are a 1955 Ford pickup truck, a 1953 GMC 2 1/2-ton Army truck, a 1955 Chevrolet 57-passenger school bus and a 1950 Chevrolet 46-passenger school bus.

Supt. John O. Pier reported that the vehicles are available for inspection at the school district's premises, 700 Broadway, Venice.

Oct. 19 Deadline

Michael E. Leatherman Jr., board president, said bids will be accepted at the school board office in the Venice grade school until 4 p.m. Monday, Oct. 19, and must be accompanied by a bid bond in the form of a cashier's check equal to 5% of the bid price and made payable to Venice school district. Bid bonds of unsuccessful bidders will be returned.

Prior to the formal session, board members met with a representative of Triangle Heating Co., Granite City, which installed an air-conditioning unit in a newly-equipped foreign language laboratory earlier this year.

The board authorized payment of \$1891 Monday night after the company agreed to add several extra ducts in the ceiling and to install a copper tube piping to carry away moisture.

Invest \$225,000

The board authorized investment of \$100,000 from the educational fund and \$125,000 from the working cash fund into the U. S. Treasury certificates at 3 1/2%.

Interest earned is expected to be \$2085. The funds will be available to meet payroll and

Half-Day Attendance, Summer Term Boost

Ray Page, state superintendent of public instruction, has released the amount of money due to each of the 1419 school districts eligible for state aid during the 1963-64 school year. Page earlier certified amended

claims for state aid totaling \$189,936,175.

The Madison county figure is \$7,080,698, including \$1,644,317 for Granite City, \$467,799 for Madison and \$55,440 for Venice.

The figure this year is \$15,215,375 over the 1962-63 amount. The claims include an adjustment credit of \$1,551,998 granted schools on the basis of half-

day attendance as a result of an opinion of the local department of the Office of Public Instruction, \$653,019 granted to schools as a result of tax objections based on inequities of assessments, and \$84,592 for summer schools. The amount of school aid is based on average daily attendance and the assessed valuation of the school districts.

Truck Breaks Window

A representative of Yelton Supply Co., 20th and Adams streets, reported Monday that while a Yellow Transit Co. truck, making a delivery, was backing into a warehouse, a protruding load broke a window over the warehouse door.

Students who took Russian I last year are now enrolled in Russian II. This year, except for two students who do not attend school here anymore, The instructor is Rev. Butchko.

50 MHS Students To Sing in Music Festival Saturday

Fifty students from Madison high school will attend a music festival at the Carbondale campus of Southern Illinois University Saturday. Students from 45 other high schools from the southern part of the state will participate.

A public concert will be conducted at 7 p.m. in Shogood auditorium following day-long rehearsals starting at 8 a.m. The director of the Jack Halloran Singers of Hollywood, Calif.

The concert will be augmented by the SUT choir and by a special male quartet. The selections to be performed by the MHS group include Bach's "Jesus Joy of Man's Desiring," "Sanctus" from Hayden's Third Mass, "Sleep Little Jesus Sleep" and two famous Negro spirituals, "Go Tell It on the Mountain" and "Little David Play on Your Harp."

Accompanying the Madison students will be Mrs. Robert Stevens, their director, Robert Stevens and Miss Irene Hayes. Seventeen Madison county residents are attending the college.

The radish is of unknown origin, but came to America from the Old World. Its widest use is in the Orient.

Teens-for-Percy Group To Organize Saturday

Kenneth Cann, adult advisor for the Madison county Teens for Percy, announced that an organizational meeting will be held at the Madison County Citizens for Percy headquarters, 1229 Nineteenth street, at 2:30 p.m. Saturday.

Teenagers interested in working for Charles Percy's election as governor are being urged to attend. Cann said a 15-minute presentation of information on Percy will be shown.

A Teens-for-Percy chairman for the voluntary group will be announced at the meeting. Refreshments will be served and all interested teenagers were invited to attend.

'The Enchanted' at GCHS

Double Cast Picked for Homecoming Play

Granite City high school's Homecoming play "The Enchanted" will feature a double cast when it is presented Oct. 28 and 29, according to plans instituted by Richard King, new speech department director.

A completely different cast will perform on each night of the play. One will perform at the matinee for grade school children and on Oct. 28. The other will perform at a special performance for teachers and on Oct. 29.

The special presentation for teachers is another innovation King has introduced.

"The Enchanted" is the story of a critical moment in the life of a young girl, when she turns from girlhood to womanhood.

Participated in games, and entertainment and refreshments were provided. "Continental Play Day" was the theme, and names of teams were designated by names of states. They were accompanied by Miss Marcela Hayes, faculty sponsor.

Those attending were Linda King, Gale Allard, Mary Kula, Karen Schieb, Joyce Whittle, Candice Carlson, Bernice, Cindy Tenney, Cheryl Kienle and Pat Wygers.

Though people of North America tend to think of all South American countries as being near to each other, Washington is nearer to Moscow than to Buenos Aires.

Portraying little girls will be Mary Hagler, Linda Jungels, Marlene Graham, Annette Gasparovic, Charlotte Giecho, Janice Townsley, Debbie Bush, Linda Sato, Linda Kozer, Linda Meador, Sheila Coggins, Pat Holdridge, Kathi Aubrey, Joyce Neeth, Elaine Raub, Judy Sands, Deborah Williams, Duane Parkinson, Pauline Ammann, Donna Barlock, Mary Berovsky, John Larner, Sara Riehnburg, Kathy Simurda, Dolores Baumberger and Connie McGovern.

GCHS Civics Classes Attend Council Meet

Two classes of Granite City high school civics students attended Monday night's meeting of the Granite City council with their instructor, Albert Lewis.

There were about 60 boys and girls present to witness about 30 minutes of the 2 1/2-hour meeting.

Lewis regularly has his civics class hold its 54th annual Homecoming celebration Friday and Saturday at Urbana.

Names of the Homecoming queen and her court were announced Wednesday night.

Patricia Barkley, daughter of Mr. and Mrs. Fred Barkley, 2011 Pershing, was crowned Homecoming queen.

The winner will serve as Miss Illinois, and runner-up as Miss Ohio State and the other finalists as members of the court representing one of the Big Ten teams.

Colorful floats, marching bands, floats, and cheerleaders and a shaggy dog will highlight the Homecoming parade.

The parade is scheduled for 6 p.m. Friday when Co-Capt. Dick Butkus and George Donnelly will crown Miss Illinois.

Homecoming dances, featuring Nelson Riddle and his 40-piece orchestra, will be held from 9 p.m. to 1 a.m. Friday and Saturday nights in George Huff Gym. The orchestra will play a concert at 10 p.m. both nights.

The 27th annual Stunt Show, with an all-student cast of 200, a 40-member shag line and a 20-piece orchestra, will be held at 8 p.m. Friday and 7 p.m. and 9:45 p.m. Saturday in the Assembly hall.

A large crowd of 71,119 is expected for the game between Illinois' defending Big Ten and Rose Bowl champions and Ohio State.

Probation Officer Completes Study of 1220 Criminal Acts

James Reideberger, Madison county probation officer, has completed a study of 1220 crimes committed in the county during the past six years and showing dispositions.

The study included 846 individuals and 827 criminal cases in the files. He emphasized that the number does not include all of the crimes committed in the county during the six-year period, but those which were committed by grand juries from 1958 to 1963.

He said 227 persons were sentenced to penal institutions or fined, and 352 were granted probation. Probation was revoked in 29 cases.

In explaining the statistics, Reideberger noted that a case may include one or more criminal acts and that one person may be charged with one or more criminal acts, accounting for the difference in figures.

The survey showed that 165 were sent to prison, 223 were placed on probation, 17 were sentenced to institutions other than a state penitentiary, 14 were fined, and 327 persons returned 123 not-true bills, 254 cases were nolle prossed, 170 were removed with leave of absence, seven indictments were quashed and 58 cases are pending.

Prison Sentences
Of the 165 acts resulting in prison sentences, 136 resulted in direct sentencing and 29 were a result of probation revocations. Of the 223 acts resulting in probation, 261 were probation only, 34 included state prison farm sentences and probation, 20 included county jail sentences and probation and eight included a fine and probation.

Of the 71 criminal acts resulting in sentences to institutions other than a state penitentiary, 30 were to the state farm, 29 to the county jail, eight to the Illinois Youth Commission, three to the Illinois Reformatory for Women, one to the county jail with a fine and six to the Illinois State Hospital.

Common Crimes
Reideberger said burglary and theft is the most common crime in the county. Of the 1220 crimes studied, 348 were for burglary and theft. Burglary followed with 130, and theft ranked third with 106.

Other criminal acts and the number brought before grand juries were: Armed robbery, 82; robbery, 49; indecent liberties with a child, 48; forgery, 34; kidnapping, 25; rape, 23; making a check to defraud, 23; larceny of a motor vehicle, 21; confidence game, 20; obtaining money under false pretenses, 13; attempt, 13; passing a fictitious check, 12; deceptive practices, 12; aggravated battery, 11; assault with a deadly weapon, 11; assault with intent to murder, 10; and arson, 10.

Freight at Locks 27 Up 1,425,656 Tons For Year

Freight tonnage passing through the Chain of Rocks Locks 27 during September fell a quarter of a million tons below total August shipping, but the total tonnage for the year to date still is 1,425,656 over that of the same period a year ago, according to a report by the U.S. Engineering Corps.

Shipping through the locks during September included 1,428,675 tons of freight of all kinds going upriver, and 1,579,950 tons going downriver, a total of 3,008,625 tons passing through the locks. The upriver traffic was slightly higher than the August tonnage of 1,419,105 tons, but the drop occurred in the downriver shipping which totaled 1,837,380 tons in August.

Despite the drop in shipping, the number of vessels passing through the locks varied only slightly from the number reported for August. During September, 793 towboats passed through the locks, compared to 795 the previous month; 10 passenger boats compared to 2 in August; 371 barges, compared to 376; 323 private recreational boats, compared to 501; seven U.S. towboats, compared to

four; 12 U.S. barges, compared to 15; eight patrol boats, compared to 11.

Record Pace for Municipal Sales Taxes This Year

Municipal sales taxes produced record city revenue in the Quad-Cities during the first half of 1964, newly-released Illinois Revenue Department reports disclosed today.

The \$136,484 figure—including \$129,131 for the Granite City treasury, \$21,761 for Madison, \$5411 for Venice and \$179 for Ponton Beach village offices—totals the \$141,145 collected in the first half of 1963. \$141,292 in January-June 1962, \$120,010 in the same period of 1961, \$131,436 in the first half of 1960, \$135,199 in January-June 1959, \$104,577 in 1958 and \$109,015 in the first six months of 1958.

The \$136,484 Granite City half-year total exceeds the previous January-June high of \$115,613 reached in 1963, while the \$21,761 Madison tally tops its previous high of \$21,215 in the first half of 1962.

First Year For Ponton
However, the January-June record of \$60,637 for Ponton 1957 still stands. Ponton Beach is collecting the half-cent-a-dollar tax for the first time this year.

A breakdown of the Quad-City tax income of \$136,484 shows \$22,824 in January, \$22,213 in February, \$27,762 in March, \$28,406 in April, \$23,584 in May and \$31,855 in June—the latter a mark exceeded only last December's \$34,531.

At the present rate, 1964 will be a \$300,000-plus year for the first time. A \$297,033 level was reached in 1963.

Steel Industry Reports Continued Employment Gains

August was the ninth consecutive month that employment increased in the iron and steel industry, American Iron and Steel Institute announced today. The August total for hourly and salaried employees was 566,849, an increase of 29,000 from July 1964 (564,700) and the highest since March 1962 (569,223).

The first eight months' total average employment was 543,900 compared to 525,670 for the same period in 1963.

Other highlights for August 1964 included:

Aggregate payroll for hourly and salaried employees, \$302,602,562 in August 1964, vs. \$304,857,727 in July 1964 and \$318,760,755 in August 1963.

Total employment cost per hour worked by hourly employees, \$4.37 in August 1964, vs. \$4.24 in July 1964 and \$4.28 in August 1963. The August 1964 figure includes \$3.704 average payroll cost per hour worked plus an estimated 67 cent an hour in employee benefits (pension, insurance, vacation, unemployment benefits, savings and vacation plan costs and legally required payroll taxes).

Average hours worked per week by hourly workers: 36.5 in August 1964 vs. 36.5 in July 1964 and 34.1 in August 1963.

The above data cover only employees engaged in the production and marketing of steel and exclude mining and non-steel-making employees in companies having such operations.

GC Eagles Team Performs Before National President

Harry Burns of St. Cloud, Minn., newly-elected national president of the Fraternal Order of Eagles, was the guest of honor Monday evening at a special program held in the Eagles Home in Alton in which the local Aerie ritual team participated.

Burns, who is currently making a state-wide tour, discussed the organization's policies and objectives, and emphasized the importance of the Eagles' philanthropic heart campaign project.

In honor of the national leader's visit to this area, a six-member ritual team from the Granite City Eagles Aerie 1236 conducted colorful initiation ceremonies for 33 candidates.

Composing the team were Jesse Brown, Roy Voss, Carl Buehler, Jesse Hadley, Jack Lehne and Rev. Urban Jackson. Two other local men who attended were John Painter, Aerie 1126 president and Arthur Johannmeier.

Pharmacists Observe Week with Ceremony

The Madison public library was presented an honorary membership in the American Institute of History of Pharmacy in a ceremony Tuesday honoring National Pharmacy Week, which ends Sunday.

The presentation was made by Eugene E. Schnipper, local pharmacist, to Mrs. Blanche Revelle, librarian, on behalf of the Madison-St. Clair County Professional Pharmacists Association. Similar ceremonies are taking place elsewhere in the two-county area.

Schnipper said the library also is to receive booklets "Medicines for the Union Army" and "Emergence of the Concept of Opiate Addiction," along with copies of the institute's publications and history.

Film slides on the history of pharmacy and also on the development of the drug jar also will be made available.

Children with Matches Cause 2 Madison Fires

Two fires caused by children playing with matches were extinguished by Madison firemen Tuesday. A false alarm to Laclede Steel Co. also was answered.

Firemen were called at 7:35 a.m. Tuesday to the residence of William Kamacha, 1716 Sixth street, where a small child playing with matches set fire to a cardboard box in a bedroom.

The fire was confined to one corner of the room. Fire Chief E. J. Miller said "Damage was estimated at \$100."

At 7:20 p.m. firemen answered an alarm to 1508 Fifth street where a wooden shed in the alley had caught fire. Miller said the fire also was started by children playing with matches. The shed was damaged but no estimate made. The false alarm to Laclede Steel Co. was answered at 2:25 p.m. Tuesday.

Increase in State Training Act Program

Approvals of training projects under the Manpower Development and Training Act rose sharply in Illinois during the first half of 1964, according to figures released today by the U.S. Department of Labor.

There were 152 MDTA projects approved for 13,327 unemployed or underemployed workers by July 1 in Illinois. This represents a 35% increase over the

Cancer Society's Annual Followup Survey Under Way

Five thousand volunteers representing 165 units of the American Cancer Society have begun their follow-up survey of the cancer prevention study, a six-year nationwide project to learn why some persons are more likely to develop cancer than others.

About 250 volunteers in Madison County, under the leadership of Mrs. Frederick L. Habbeger, will again report on whether the more than 200,000 men and women they enrolled in 1959 are alive or dead, Dr. David

Friedman is vice-chairman of the society which has its office in Alton.

Nationwide, the study covers more than one million persons in 1121 counties. These persons are followed up questionnaires with respect to environment, habits, exposures and way of life answered 250 carefully framed questions that might help determine

If those who develop cancer differ in some ways from those who do not.

In the Illinois Division, volunteer workers during the latter part of 1959 and early 1960

enrolled more than 80,000 men and women in the 102 counties.

Under enrollment each person answered the detailed questionnaire, two follow-ups, a pre-trace once a year and are requested to fill out brief questionnaires every two years.

Mrs. Habbeger said that valuable information has already been gained from the study. After two follow-ups, a preliminary analysis confirmed that smoking, a danger to health, had a high relationship to deaths for specific sites of cancer. It was also found that certain general physical complaints such as loss of appetite, shortness of breath and a tendency to fatigue easily, were related to the cancer death rate.

Further analysis will determine if these symptoms appear before the cancer has spread to an incurable stage. The follow-up information has provided val-

uable statistics linking cigarette smoking and lung cancer and made important contributions to the Surgeon General's report on "Smoking and Health."

The success of the study is based in large part on the degree to which the volunteers continue to report on the status of the persons originally enrolled. After four years, 99% of those originally enrolled in Illinois and 100% in Madison County were successfully traced, and it appears that this record will be maintained after the fifth follow-up reports are tabulated.

Coincident with the beginning of the fifth follow-up, the American Cancer Society has released a filmstrip entitled "200,000 Clues." It is a report of the progress to date of the 68,000 volunteers nationwide who are working on the study.

The filmstrip will be shown at all district meetings this fall.

Open House Sunday at Local Therapy Center

The local center of the Eastern St. Louis Division of the American Association for the Crippled and the Disabled, Madison County Association of Directors, and the Madison County Medical Society, will be the scene of an open house from 1 p.m. to 4 p.m. Sunday.

The Quad-City center is located in the Venice public library, 325 Broadway.

Sponsors of the open house are the Eastern Seal Society board of directors and the Venice Junior Service club.

Noting that the organization in the past year aided over 300 persons with more than 2500 instances of treatment or therapy, R. H. Wickenhauser of the Eastern Seal Society commented this week.

"The response in the Quad-City area has been an impressive one and a rewarding experience."

"We are proud of our new quarters and want to invite to our open house the public and all those who have helped to make this center possible."

The Eastern Seal Society has been operating in Madison County for ten years. It provides a pre-school nursery, speech therapy clinics, an equipment loan pool, referral service, counseling and a two-week summer day camp for crippled children.

It is a volunteer health agency and non-profit charity which provides services to crippled youngsters and adults regardless of age, race or religion.

Teacher Institutes Scheduled Friday

Simultaneous institute meetings of the Illinois Education Association and the Southwestern Division Area Council of the Illinois Federation of Teachers will be held Friday in Alton and East St. Louis, respectively.

Public schools will be closed throughout Madison County for the day.

Both conferences will feature prominent speakers as the principal part of their programs. The Southwestern Division Area Council, which is affiliated with the AFL-CIO American Federation of Teachers, will convene at 8:30 a.m. in the East St. Louis high school auditorium. The IFEA meeting in Alton will be held at the West Junior public school, 3513 State street.

Scheduled to speak before the IFEA institute are Dr. Richard Staar from Emory University, and Dr. Nicholas Nyordi from Bradley University. Dr. Staar will speak on the subject "From Marx to Khrushchev: Dr. Nyordi will speak on "American Education at the Crossroads."

The Illinois Federation of Teachers meeting will present Charles Cogen, president of the American Federation of Teachers, Charles V. Matthews, director of the Delinquency Study project at the Quad-City Educational Center, and Dr. Frank Savage, director of the Peace Corps Training program at St. Louis University; Howard B. Woods, executive editor of the St. Louis Argus and members of President Johnson's Equal Opportunity Commission, and Gene Kelly, KMOX radio sports caster.

Mrs. Epstein Still Confined to Home

Mrs. Harry Epstein, 2682 Iowa street, 28 is still confined to her home.

Her right ankle, which was fractured, has been placed in a cast.

Full List of Paint Stain Damage Sites Being Sought

Granite City's aldermen were called upon Monday night to submit names, addresses and telephone numbers for all persons in their wards with paint discoloration damage to their homes.

The request was made by City Atty. George Filcoff Jr., who is to supply the information to chemical engineers of the firm of St. Louis Testing Laboratory.

Once the homes are pinpointed on a large map, the firm is to submit a cost figure to the city for carrying out a survey which is to determine the exact cause of the paint stains and to specify the sources.

Staff of 29 persons Filcoff said he conferred with Edw. R. Lanser, researcher, and C. D. Trowbridge, director and president of St. Louis Testing Laboratory, and that they have a staff of 29 persons to work on the project in addition to special measuring equipment.

"We must supply them with preliminary information to give an idea on the size of the area to be covered by the survey and for that we need the addresses where there has been paint damage. We have about 360," Filcoff said.

He asked the aldermen to supply him with the data this week, and explained that the firm would be able to make telephone surveys as well as personal visits. "They also want paint samples and for the city to get permission for them to enter industrial plants," Filcoff said.

A suggestion was made to concentrate the survey in the East End area to hold down costs, but the aldermen pointed to the widespread damage in recent years and called for a full survey. Addresses in the 2400 block of Adams street and the 2400 block of Delmar avenue were given Filcoff and aldermen said they would have other addresses to submit.

Filcoff said he would work with A. W. Pearson of the city's engineering staff in preparing the location map and would obtain all addresses available from City Inspector Jack Freier and his assistant, William Jenkins.

Undergoes Eye Surgery

Miss Anna Kipian, 518 Grand avenue, is recovering at Jewish Hospital, St. Louis, from eye surgery which she underwent Monday. She will be confined to the hospital for about ten days.

Venice Twp. Relief Caseload Drops

The Venice township relief caseload decreased to 53 families and 87 persons during September, a monthly report showed.

There were 57 cases and 97 individuals on the relief rolls in August, 60 and 92 in July and 68 and 119 in June.

Costs in September were listed as \$3146, compared to \$2011 in August, \$5013 in July, \$2482 in June, \$4589 in May and \$4730 in April.

The monthly cost listing is figured on a different basis than the formal report of receipts, disbursements and obligations. Relief obligations assumed during the 1964-65 fiscal year have increased \$5726 in April, \$5822 in May, \$4432 in June, \$5490 in July and \$4418 in August. The general assistance fund owed \$87,674 on Aug. 31.

IVC Wants Income Data From Vets and Widows

The Illinois Veterans' Commission today issued a reminder to veterans and widows who received a non-service connected pension form from the government that they are subject to income limitations and are cautioned of a possible overpayment of benefits.

Joseph D. Wetton, local VA service officer, urged veterans and widows to check the amount of their 1964 income since the pension payable to them is based on the anticipated income of each individual. Eligibility for pension is controlled by certain income and net worth limitations, he said, and regulations require that anyone who exceeds this limitation must immediately notify the Veterans Administration.

Failure to submit notice of excessive income will result in discontinuance of benefits. Wetton stated, Haco also reminded veterans to submit notice of any change in address or marital status. The local VA office, located in the city hall, Granite City, is open Monday through Friday from 8:30 a.m. to 4:30 p.m.

First Custodial Agreement In Venice District Approved

The Venice board of education has approved a three-year agreement with Local 98, Building Employees Union, Monday night—the first such contract signed in the Venice schools.

The contract was signed during a regular meeting of the school board and is retroactive to July 1, 1963.

School Board Secretary Lester R. Salem said the agreement is similar in content to Granite City and Madison contracts negotiated with the same local and covers eight full-time employees who were granted annual raises of \$333 this year and \$312 in each of the next two years.

Two part-time janitorial workers, who received a 30-cent-an-hour increase this fall followed by 15-cent raises in the next two years.

Annual salaries for the eight full-time employees will range from the 1964-65 figure listed first, 1965-1966 second and 1966-1967 third, according to the contract. The figures are: Reihms, \$6133, \$6445 and \$6757; David Curtis, \$5383, \$5695 and \$5907; and Richard M. Johnson, \$5383, \$5695 and \$5907.

Other employees on the list are: George Zeigler, John Seannell, Charles Isaac and Lloyd Blumensack, \$5133, \$5445 and \$5757.

Two part-time employees, Mary Caldwell and Edna Houls, who work 180 days per year, will receive a total of 760 hours, will receive an hourly rate of \$2.46, \$2.61 and \$2.70 during the three-year period.

Must Live In District

Other clauses included in the agreement are that all custodians will be required to live in Venice School District and that the custodians will be given sufficient time to move; regular work hours over 40 hours per week will be paid at time-and-one-half with a minimum of four hours at time-and-one-half; double time will be paid for work over 10 hours per week; and custodians who are required to work on a listed holiday when school is not in session; and there will be ten days yearly sick leave accumulative to 80 days with one-fourth paid retirement.

A custodian with six years in the system who has used all sick leave the previous year will start the seventh and subsequent years with a minimum of 34 days of sick leave.

Hiring Stipulation

Local 98 is recognized as the sole collective bargaining agency for custodians, and it is agreed that the district will hire custodians "satisfactory to Local 98."

Vacations will be one week after one year of employment, two weeks after two or more years and three weeks after five years. Those leaving before the end of a year due to retirement or ill health will get prorated vacation time.

Holidays will be July 2, Labor Day, Veterans Day, and Christmas, New Year's Eve and New Year's Day, Lincoln's birthday, Good Friday and Memorial Day.

Union dues and death benefit assessments will be deducted from the employee's pay. New custodians will receive ten cents an hour less during a 30-day trial period. Emergency leave of five days a year will be allowed, and attendance at approved conferences and educational trips will not count against sick leave nor cause salary deductions.

Grievances are to be referred to a shop steward at each school. After the steward confers with the principal, the employee can file a written grievance, within five days of which the principal and business agent would meet.

The administration would join in the talks within another five days, after which five arbitrators would make recommendations to the school board.

Seniority within a school building will be recognized for job advancement, except to the extent of differences in the qualifications required for certain jobs.

A successful transfer applicant would be assigned immediately, with another custodian moved at the next regular board meeting; 30 days would be provided in order to prove qualification for a position with higher pay then made retroactive to the start of the 30-day period.

Eliminate Fence Hazard The school board members heard Monday night that a new ten-foot high fence erected this summer around the Venice

Open House Sunday at Local Therapy Center

The local center of the Eastern St. Louis Division of the American Association for the Crippled and the Disabled, Madison County Association of Directors, and the Madison County Medical Society, will be the scene of an open house from 1 p.m. to 4 p.m. Sunday.

The Quad-City center is located in the Venice public library, 325 Broadway.

Sponsors of the open house are the Eastern Seal Society board of directors and the Venice Junior Service club.

Noting that the organization in the past year aided over 300 persons with more than 2500 instances of treatment or therapy, R. H. Wickenhauser of the Eastern Seal Society commented this week.

"The response in the Quad-City area has been an impressive one and a rewarding experience."

"We are proud of our new quarters and want to invite to our open house the public and all those who have helped to make this center possible."

The Eastern Seal Society has been operating in Madison County for ten years. It provides a pre-school nursery, speech therapy clinics, an equipment loan pool, referral service, counseling and a two-week summer day camp for crippled children.

It is a volunteer health agency and non-profit charity which provides services to crippled youngsters and adults regardless of age, race or religion.

STUDYING PLANS for construction of a large, modern service station, a \$200,000 development at the corner of 20th street and Madison avenue, are L. L. Schneider, field engineer for the Mobil Oil Co.; Ralph E. Prinz, real estate representative; Harold Holston of the Morris agency, who handled the real estate transaction; and Earl Bloomquist, city building inspector who issued the building permit. The new building is to be erected at the site of the Mosley dairy building which is to be razed.

\$59,316 Bill List, \$36,066 Payroll Ok'd by Council

A \$59,316 bill list and a \$36,066 half-month payroll were approved Monday night by Granite City council members. Largest item on the bill list was a \$37,412 motor fuel tax payment to A. H. Seehold Co. on the \$37,000 improvement to Woodlawn avenue.

M. H. Wolfe Co. was paid \$808 for installation of a drainage line at Spaulding and Vesel avenue, and Ellsworth Concrete Co. received \$4173 for sidewalks in the 2000 block of Iowa street, the 2400 block of Ohio street, and along Missouri avenue and 14 driveways and two alley entrances.

Curbs, Sidewalk Replacement
Curbs and gutter replacement by Tom Skierle Co. at East 24th street and Washington avenue and sidewalk and driveway replacement on East 24th street, Iowa street and Washington avenue amounted to \$1746.

The city's purchases from Midwest Black Top Roads amounted to \$4759 for 11,885 gallons of asphalt and 766 tons of rock. Other bills included \$1754 paid to Illinois Power Co. for street lighting in September and \$1480 to East St. Louis & Interurban Water Co. for the month's rental on 328 fire hydrants.

James Rath Painting Co. was paid \$1010 for painting the police quarters and jail.

First Site Rental Payment
The first payment of rent to the federal government for the site of the new sewage treatment plant to be built at the Army Depot amounted to \$133. The check is to go to the Treasurer of the United States.

Patrolman Ralph Bambley, handler for one of the police department's two dogs, was reimbursed \$8 for 10 pounds of beef, four boxes of straw and harness and dye.

Expense allowances on the list included \$30 for Alderman Bartosiek and \$215 for Victor Koenig, civil defense director, who plans to attend a five-day civil defense council conference at Colorado Springs, Colo., Nov. 1-6.

Parked Car Struck

A car driven by Herbert Atchison, 2305 East 23rd street, struck the right rear of another owned by William Pruett, 1207 Rhodes street, while Pruett's car was parked at 2 p.m. Monday at 2253 Monroe street. He told police cars were parked on both sides of the narrow pavement and he was forced to turn to the side by an on-coming car trying to pass by. Both cars were damaged.

Philip Lance Taking Part In Navy Training Operation

Philip L. Lance, American apprentice, USN, son of Mrs. Miss E. Lance of 4407 Kirkpatrick homes, is participating in a Naval training operation called "Exercise Union Square" off the coast of California while serving aboard the attack aircraft carrier USS Hancock.

The exercise is designed to increase the combat readiness of Pacific Fleet units in strike, anti-aircraft and anti-submarine warfare. Eighteen surface ships, four submarines and several air units are participating in the operation.

Man Loses Wallet, \$75

Charles Jones, 2012 Black avenue, reported at 5 p.m. Monday that during the last three days he lost his black leather wallet containing \$75 to \$100 cash, his driver's license and other papers.

Vandals Break Windows

Charles Van Fleet of the Servisette Water Conditioning Co., 2106 East 24th street, reported at 8:30 a.m. Tuesday that vandals threw rocks through two large plate glass windows and also broke the windshield of a 1963 1/2-ton truck.

PORTRAIT GIFT to Mayor John E. Lee of Venice, to be hung in the Venice city hall, is presented to the mayor (left) by City Clerk William "Mike" Ebersold, right, during a recent meeting of the Venice City Organization. Joy Maurer, recently appointed street superintendent, looks on. The picture is an enlarged, colored photograph of the mayors of the Quad-Cities with the late President John F. Kennedy, Gov. Otto Kerner and Cong. Melvin Price, prior to leaving St. Louis on a campaign caravan tour of Madison county in 1960.

Parking Meter Income Lowest in Six Months

Granite City parking meter fees and fines fell off sharply during September, with total of \$3042—the lowest collection of any month since last January and February.

Parking meter fees amounted to \$2772, or \$650 less than the \$3722 collected from meters during August. September fines assessed for meter violations amounted to \$270 which was a drop of only \$4 below the August fines of \$274. Total fee and fine collections for August amounted to \$3096, or \$554 more than the September total of both fee and fine collections.

During 1963, September collections ranked along with the other higher collection months of the year. September fee collections last year were \$3661, with \$1411 (fines) collected, which amounted to \$2050, the total for the first nine months of 1963. Fee collections and fines last month were \$2538, the total parking meter income for the first nine months of this year—a sum of \$1535 less than the total at the same time last year.

Parking meter fees have been showing an "up and down" change from month to month since the beginning of the year. January meter fee collections amounted to \$2276, while those of February were \$2681. These midwinter months are considered as low income months because of weather conditions.

In March, however, fee collections jumped to \$3350, but in April, when more motoring activity could be expected, the meter fees dropped to \$2883. For May they amounted to \$3800, and in June increased to \$3644. Another sharp drop was seen in July when fees totaled \$2261, jumping in August to \$3722, and dropping last month to the \$2772 figure.

Parking meters operated during September on 25 days, thus showing a daily average of \$121 income from meter fees and fines.

Like meter fees, fine collections also vary extensively from month to month. In January, fines totaled \$87, while in February \$163 in fines were assessed.

Relief Cases Increasing In Granite City Township

Relief cases and costs increased in Granite City township for September. It was reported this week at the office of Supervisor Nelson Hagmann. Relief costs were \$7249, up from the \$3650 in August. Hagmann said new tax money has been received and the township is paying medical bills that had been held up.

There were 80 cases with 231 persons, compared to August totals of 76 cases and 213 persons. During the month the office handled 28 cases and received cases and closed 25 cases. In September 1963 the relief figures were 98 cases with 313 persons and costs of \$4533. Total relief costs for seven months of the fiscal year amount to \$50,229, compared to \$37,873 for the same period in 1963.

Hagmann submitted his monthly financial reports to the city council Monday night and also current bills and salaries for the general assistance and town funds.

The general assistance fund showed a balance of \$74,820 on Sept. 30. Receipts amounted to \$123,541, while disbursements were \$48,701, including \$10,073 paid to retire a tax anticipation warrant.

The town fund had a Sept. 30 balance of \$23,854. Receipts amounted to \$37,235, while disbursements were \$13,381, including payment of \$10,672 to retire a tax anticipation warrant. Current disbursements approved amounted to \$1492 for the town fund and \$3583 for relief purposes.

The relief disbursements were

\$1298 for medical care, \$1212 for food, \$305 for rent, \$3 for utilities and the following administrative costs: \$100 for office, \$495 for the staff's half-month salaries, \$25 for postage, \$40 for office supplies, \$24 for utilities and \$10 for employee retirement.

Town fund disbursements of office include \$682 for half-month salaries, \$75 for assessor office, \$18 for auditor services, \$26 for utilities, \$134 for supplies, \$117 for employee retirement, \$200 for a telephone, \$500 for a convention and \$120 each for deputy inspectors, Julia Lattin and Richard Reiser.

Car Hits Beam on Truck

A steel beam hanging over the rear of a Wabash Dilling Co. tractor-trailer truck from St. Louis, driven by Raymond Burns of Overland, Mo., struck the front end of a car driven by Delores E. Roberts, 1613 Monro avenue, at 9:45 a.m. Tuesday. The truck was headed west and she was driving north on 20th.

City Truck Collides

A car driven by George A. Raffale of Highland was passing a city truck driven by Earl J. Mori, 2611 Sheridan avenue, at 3:30 p.m. Monday on Elm street as the truck was making a left turn onto Birch street and the vehicles collided. The right side of the car and the left front of the truck were damaged.

Madison Man Fined \$48

William Corestus Jr., 21, of 713 Jackson street, West Madison, was fined \$25 and costs on a disorderly conduct charge and \$5 plus \$5 costs on a speeding charge Tuesday by Magistrate William Trahan of Edwardsville, sitting in Granite City court. He was arrested on Sept. 8 by Venice police.

....It's Apple Butter Time at Quad-Cities Churches

PERFECT AUTUMN WEATHER brought out members of classes and guilds at two Quad-Cities Churches for apple butter cooking in huge kettles that required days of preparation in peeling and readying the apples for the final cooking, as well as scouring the kettles and keeping the fires going and the apple butter well-stirred. On the left, members of the Fidelity Class of Nameoki Methodist Church are shown at work on the Canham farm on an old Alton road with Mrs. Thelma Chapman and Charles Veach on the stirring paddle while Doris Blumstock and David Kozly stand by. The picture to the right shows the Guilds and

others of St. Peter E & R Church at kettles fired up in the driveway near the church, 2101 Cleveland blvd. Shown are Miss Rosemary Caburek, William Hays, Alfred Hoelcher, Mrs. Hulda Davis, Mrs. Laura Taylor, William Miller, Miss Ann Seeshig, Mrs. Louise Miller, Miss Myrtle Seeshig, Mrs. Thelma Markgraf, Mrs. Helen Hays, Fred Feit, and Miss Leona Wintermeyer. Both groups will sell apple butter to raise funds for church equipment and programs. St. Peter Church has a Country Fair set for Nov. 14.

Old Weir House Museum Preparing for Opening

Six rooms of the 128-year-old Weir home at 715 North Main street, Edwardsville, will be ready for display at the grand opening of the Madison County Historical Society's new museum on Oct. 31 and Nov. 1. It was announced today by Mrs. A. Austin Lewis, Madison, vice-president of the society.

Two other rooms of the house that eventually will be restored, but have not yet been subject to any remodeling work, will be open to public view during the opening to provide a comparison of the work that has been done in the remodeled section and to promote interest of groups or organizations in contributing toward restoration of these rooms.

Mrs. Lewis said some work remains to be done on the conversion of the home—built about 1836—into the new museum building. This includes completion of public restrooms, overhead lighting, painting and carpeting of the main entrance hall and corridor, and the second floor hallway. Most of this work will be completed before the grand opening dates, she said.

The six rooms that will be ready for exhibits include two parlors used as period rooms, two rooms on the main floor that are used for coin collections, guns, documents, manuscripts, photographs, and similar items. The other two rooms on the second floor house exhibits of special interest to children, including Indian relics, and prehistoric artifacts. Children of Madison county donated more than \$200 toward establishment of the museum which formerly was housed in the Madison county courthouse.

Plan Library Room
One of the two unfinished rooms on the second floor is to be furnished as a period bedroom displaying such items as a rye slate bed, wardrobes, costumes of the period, toys, dolls, bedding and similar items. The other room is intended as a lecture and research room and library.

Mrs. Lewis pointed out that decor for the 14-room structure was chosen for historical significance. No attempt has been made to restore the home in a strict sense, but rather to show the home as it may have appeared in Madison county in the 1830's, using furnishings of the period. The rooms will be used for special exhibits that can adjust to the surroundings. The decor will be changed from time to time as it becomes necessary to change the exhibits.

The building's front parlor is papered in authentic wallpaper of the 1830's. The "Colonel Pope" pattern used in the main entrance is considered the finest block pattern ever designed for use in hallways. Use of flat whites and dull greys and greens was common in the 1830 period. No bright colors were used. Mrs. Lewis pointed out that it was interesting to note that all fireplace mantels from 1830 through the 1850's were black, no other color being used until a later date. Mrs. Roland Jester of St. Louis was decorating consultant for the museum.

Mrs. Lewis said the society is in need of contributions and various period articles. A search is now underway for early period clothing depicting a certain era or style; furniture of the type not used in homes today; glassware, China, and dishes of all types of the early period. Work tools, farm implements and pictures pertaining to the Quad-Cities area also are sought. Anyone with articles to contribute may call Mrs. Lewis at TR 7-1111.

Internal Revenue Chief Says Receipts Important

District Director of Internal Revenue, Jay G. Philpott, today emphasized the importance of enclosing validated depository receipt forms with withholding and excise tax returns. Taxpayers often fail to attach these forms when making their returns.

Failure to enclose these receipts results in unnecessary inconvenience for the taxpayer and additional expense for the Internal Revenue Service. Director Philpott urges those who are engaged in the filing of employment taxes to take an extra moment to check the return for completeness before mailing.

Nurses to Hear Talk

By AA Representative
A representative of Alcoholics Anonymous will be the speaker at 7:30 tonight at the Continuing Educational Program for Nurses at St. Elizabeth Hospital.

The meeting will be held in the hospital library. From 1934 until the 1960's Alcoholics Anonymous comprised an estimated 300,000 men and women in about 5500 local groups throughout the world. Many persons first were introduced to AA by the medical profession. In the United States alone it is estimated that 4,000,000 men and women are "having trouble" with alcohol.

Catholic Nurses Council To Meet in Alton Sunday

The annual convention of the Diocesan Council of Catholic Nurses will be held Sunday in Alton. The theme will be "Catholic Nurses are you serving Christ or Self?" The day will begin with registration and coffee at 10 a.m. in St. Patrick's school hall at 5th and Central avenues. Mrs. Nina Dittman, Diocesan president, will preside, and The Very Rev. Msgr. James Moscow, spiritual director of the Council of Catholic Nurses, associate director of Archdiocesan Catholic Hospitals, and president of the Chicago Hospital Council, will be guest speaker.

Driveway Replacement Debated, Approved by GC Council

Driveway replacement at two locations in the Third Ward brought out a sharp debate during Granite City's Monday night council session, but approval with some opposing vote was granted for both projects.

The council also voted to place the section of Johnson road between Franklin avenue and Porton road on the motor fuel tax priority list and to install 26 directional signs for the off-street parking lot.

The members approved the purchase of office equipment and a deal of other business, including issuance of a permit to move a house in Lincoln Place.

The driveway requests were submitted by Alderman J. D. Bergfeld for 2137 Delmar avenue and 2014 Cleveland blvd.

The debate followed several aldermen's expression of concern over setting a costly precedent.

Alderman's explanation: Bergfeld obtained easy approval for the 2137 Delmar replacement, when he pointed out a depression in the street caused the condition which would need a "dip" in the sidewalk; but for 2014 Cleveland it was not until he fully explained that the property owner would pay for the concrete used for the driveway when the city replaces a broken sidewalk, that permission was given for the street department to do the work.

Morrien pointed out the city could be setting an expensive policy and said he had received

a request from a man in his Ward with a 1965 auto who could not get it up his driveway. "His old 1959 auto could do it, but the new car dragged. The city can't be responsible for changes in car designs. In our Ward, the property owners fix their own driveways."

Earlier driveway replacement, it was brought out, had been approved along Poplar street because of an error in design of new street pavement.

Objectors were Alderman Whitmer and Morrien to the Delmar repairs and Whitmer and Sternberg to the Cleveland project. Sternberg commented the city should not become involved in a "big, expensive open door," while Whitmer said the city could become involved in numerous law suits from falls if sidewalks were lowered for driveways. Basarech replied that the slopes would cause fewer injuries than sharp drops or curbs.

With the Associated Retailers to furnish the materials, the

street department will erect 26 directional signs for the off-street parking lot at 18th street and Edison avenue. An objection was raised by Alderman Bartosik.

Permission was given for a police escort for the moving of the E. L. Powell home from the Great River Road right-of-way at 1736 Cedar street to the 1800 block of Poplar street.

Tentative approval also was given for the Socony-Mobil Co. design for a new service station at 21st street and Madison avenue on the old Mayes Dairy property.

Bartosik requested City Atty. George Filoff Jr. to secure dedication as an alley the old Illinois Terminal Railroad trolley right-of-way between East 24th and Edwards streets, repairs to the track crossings at Lincoln avenue and East 25th street and for 30 mph speed limit signs to be placed along Washington avenue from N. Washington to 27th street.

Sidewalk At Church School

No agreement was reached on the proposed replacement of about 600 feet of sidewalk along St. Clair avenue at St. Margaret Mary school. The sidewalk elevation varies because it was installed before the street was improved, and driveways cannot be installed unless the sidewalk is lowered.

The church-school is to be asked to submit drawings to show where driveways are to be installed in order to reduce the amount of sidewalk replacement.

In miscellaneous business, the council approved the appointment by Mayor Davis of Earl Alford, a member of the commission, to replace Vincent Bischof as chairman of the Housing Code board, effective Oct. 5 to April 30, 1965.

Gave permission and an allowance of \$62 for Chief of Detectives George Toller and Detective Michael Devine to attend the Oct. 9-10 semi-annual meeting in Peoria of the Illinois Division, International Association for Identification.

Authorized a call for bids for four typewriters for the police department. A fifth typewriter authorized last week for the city clerk's office is to be purchased from Triangle Typewriter & Supplies for \$160. It was explained the \$208 typewriter had been rented by the city, and the rental fees were deducted.

Approved the purchase of a duplicating machine for the comptroller's office from Triangle Typewriter on a low bid of \$811. Other bids by St. Louis firms were \$760 and \$763.

Referred to the city attorney and comptroller an insurance check amounting to \$1339 received three repair estimates of city hall roof. The city had received three repair estimates of \$1339, \$2100 and \$2300.

SWIU's Schnabel Named

Registrar John H. Schnabel of Northwestern Illinois University's Quad-Cities-Edwardsville campus has been named to the five-man national committee which will study space utilization at American colleges and universities.

Schnabel, who also serves as director of admissions, was appointed to the committee post by James K. Hitt, president of the American Association of College Registrars and Admissions Officers.

REV. RICHARD LAMBORN, who will conduct revival services Oct. 12-18 at Grace Baptist Church.

Revival Scheduled at Grace Baptist Church

Revival services will be conducted at the Grace Baptist Church, 2600 Edwards street, starting Monday evening, Oct. 12, and continuing through Friday, Oct. 18. Rev. Richard Lamborn will be the evangelist.

Rev. Lamborn is pastor of Calvary Baptist Church in Windsor, Mo. Recently he and his wife were approved by the Home Mission Board of the Southern Baptist Convention to serve as missionaries in pioneer mission fields.

The public is being invited to attend the services each evening at 7:30. Ron Joyce, music director at the church, will lead the song services. A nursery will be provided at each service. Rev. C. L. Moeller is the pastor.

Basic Bridge Course To be Held at YMCA

The YMCA will conduct a basic bridge class for interested persons from 7:30 to 10 p.m. Mondays starting this Monday in the youth activity room.

The cost is \$12 for 12 lessons. The instructor will be Samuel Meyer. Persons interested in registering for the course or who wish more information may phone Mrs. Lee Pfaff, women's group director at the YMCA.

Kuliniewicz Elected Toastmaster President

Paul Kuliniewicz was named president of the Granite City Toastmasters Club Monday evening during an election meeting held in the office of Dr. Claude Hiles, 1830 State street.

Elected to serve with Kuliniewicz for the coming year were Harry Fichte as executive vice-president; Earl Lee, educational vice-president; James Dimitroff, secretary-treasurer; and Dr. Leo Coleman, secretary-at-large.

A general discussion on "Toastmasters—Past and Future" was the evening's program preceded with a resume of the local club's past history, given by Charles Youngs, and an outline of future prospects presented by Dr. Hiles.

Fourteen were present at the meeting; conducted by retiring president, Harry Fichte, with the group making plans to hold a regular dinner session at the Grand Cafe, next Monday at 6:30 p.m.

Two Autos Damaged

An auto driven by Paul L. Day, 202 Granville, Venice, and Betty E. Ward, 66 Lee Wright Homes, Venice, were damaged at 7 p.m. Monday in a collision at State and Fourth streets in Madison.

Day told police he was headed for home when he noticed the traffic stopped in front of him and he ran into the rear of the State. Day's car was damaged in the front and the Ward car in the left rear.

Alderman Presides As Acting Mayor

Granite City council members confused themselves slightly Monday night when they chose Alderman Betline to preside as acting mayor in the absence of conventioning Mayor Davis.

In calling for the floor or addressing her they sometimes called out "Mr. Mayor," quickly changing to "Mrs. Mayor," "Madame Mayor," or "Lady Mayor."

It was the first experience for the Seventh Ward alderwoman to preside, and senior aldermen said it was the first time in their memory that a woman has ever held the post.

Meeting Topic To Be Relation Of SWIU

The relation of Southwestern Illinois University to the communities of Madison and St. Clair counties will be discussed at a dinner meeting Monday, sponsored by the education committee of the two-county Chambers of Commerce, including the Tri-Cities C. of C. Keynote speakers will be STU President Delyte W. Morris and Irving Dillard of Collinsville, who was formerly editorial page editor of the St. Louis Post-Dispatch and is now a Princeton University Journalism professor. Program chairman for the 6:30 p.m. dinner at Sunset Hill Inn will be Marvin W. Swain, president of Alton Box Board. Mrs. Jeanne Simon, a former state legislator and wife of State Sen. Paul Simon of Troy, will be the hostess.

The theme of the event is "The Social Movement Which Is Southern Illinois University." Mrs. James L. Reed, chairman of the Edwardsville Chamber education committee, said tickets are available at chamber offices in Granite City, East St. Louis, Wood River, Alton, Belleville and Collinsville.

Pupils Set School Fire Drill Records

Pupils of Lake school appear to be the recordholders when it comes to evacuating the school building during fire drills. At least that is the opinion of Granite City fire department officials who conducted a series of drills Monday afternoon in 20 schools as part of a Fire Prevention Week program being staged throughout the Quak City area.

Lake school, with 436 pupils, including nine handicapped children, cleared the school during a fire drill in 30 seconds, according to records kept by Curtis Donley, assistant fire chief in charge of Granite City's section of the fire prevention program. Inspections of schools also are made by Granite City, Madison and Venice fire officials, and pamphlets and badges are long distributed to elementary pupils from kindergarten classes through the fourth grade.

Donley said the Granite City department also has obtained plastic fire helmets that will be distributed two to each room of

the schools throughout the district. The helmets are worn by fire "wardens" during drills, with "warden" jobs being passed around.

Empty Buildings Fast
Other schools of the area also completed their evacuations in record time, Donley said, requiring a little more time than was taken at Lake school but evacuating larger numbers of pupils. Maryville school, for example, emptied its building of 666 pupils in 45 seconds, while St. Elizabeth Catholic school turned out its 537 pupils in 45 seconds. Sacred Heart school took only 45 seconds to evacuate its building of 428 pupils, including one handicapped child.

Prather school, with 835 pupils and one crippled child, emptied its building in one minute, while Coolidge junior high school, with 1354 pupils and one handicapped child took only a minute and 45 seconds to empty the building.

The difference in time required not only involved the number of pupils, but also the school struc-

tures. Those taking longer evacuation periods were, for the most part, two-story buildings or older buildings that do not have the larger number of better arranged exits that have gone into school construction in recent years.

A complete record of the fire drill evacuations kept by Donley showed: Washington school, two-story building, 632 pupils, one minute; Prather, one-story, 835 pupils and one crippled child, one minute; Logan, one-story, 393 pupils and one crippled child, 55 seconds; Logan Annex, two-story building, 120 pupils, 50 seconds; Emerson, two-story, 380 pupils, one minute and 15 seconds; Nix, two-story, 369 pupils, and 13 handicapped children, 55 seconds; Frohardt, one-story, 449 pupils, a minute 15 seconds.

Other Drill Results
Wilson, one-story, 600 pupils, one minute; Marshall, two-story, 571 pupils, a minute and 20 seconds; Sacred Heart Annex, one-story, 259 pupils, 45 seconds; Lake, one-story, 436 pupils and nine handicapped children, 30 seconds; Coolidge junior high school, one-story, 1354 pupils with one handicapped child, a minute and 45 seconds; Maryville, one-story, 666 pupils, 42 seconds; Nameoki, partially two-story, 645 pupils, one minute; St. Elizabeth, one-story, 537 pupils, 45 seconds; St. Joseph's, two-story, 140 pupils, a minute and 30 seconds.

McNab, two-story, 435 pupils, three handicapped and a retarded class, a minute and 20 seconds; Webster, two-story, 543 pupils with one handicapped, two minutes and 15 seconds; Sacred Heart, one-story, 428 pupils and one handicapped, 45 seconds; Central, two-story, 600 pupils, a minute and 40 seconds.

County Baptist Group Annual Meeting Set Here

The annual meeting of the Madison County Baptist Association is to be held at Emmanuel Baptist Church, 1800 Pontoon road, Thursday and Friday, Oct. 15-16 with the opening service to be held at 9:30 a.m. Thursday. An election of officers will be held.

The Rev. Frank B. Kellogg, pastor of the Maplewood Baptist Church, St. Louis, will be the featured speaker. He has served as a guest speaker on Radio Station KMOX "At Your Service," an open line discussion program, and also serves on the Mayor's Advisory Committee for Maplewood Progress. He holds the A.B. degree, a Master degree from Peabody College in Tennessee and from Southwestern Baptist Seminary in Fort Worth, Tex.

The Madison County Association is composed of 23 churches and a mission with an overall membership of more than 7000.

Relief Costs Down In Nameoki Twp.

Relief costs in Nameoki township since September amounting to \$2619, down from the \$8720 costs in August, it was reported this week at the office of Supervisor Harry Briggs.

During the month the township handled 33 cases with 98 persons, while in August there also were 33 cases but with 91 persons. In September 1963, relief totals were 42 cases with 115 persons and costs of \$3370.

Relief costs for the fiscal year now amount to \$24754, compared to \$29383 for the same period in 1963.

GUEST SPEAKER. The Rev. Frank B. Kellogg, of St. Louis, who will be featured speaker at the 20th annual meeting of the Madison County Baptist Association to be held at Emmanuel Baptist Church, 1800 Pontoon road, Oct. 15-16.

with more than 7000 enrolled in the Sunday schools. The churches messengers will meet the two days to conduct the business of the Association. The budget for 1965 will be adopted, new officers will be elected and new churches or messengers will be sought.

The retiring officers are Rev. Kenneth McDaniel, First Baptist, Madison, moderator; Rev. Gerald McDaniel, First Church, Venice, clerk; Rev. Raymond Atwood, Emmanuel church, treasurer; Rev. Gerald McDaniel and Rev. Atwood are eligible for reelection. The moderator's two-year term ends this year.

Local Driver Jailed Twice After Accident

A local driver was incarcerated in the Granite City jail twice in a little longer than a day Monday and Tuesday.

He is Clovis A. Toombs, 48, of 2808 Saratoga avenue, who was arrested first at 7:10 p.m. Monday on a charge of driving on the wrong side of the street. Police said his auto struck a car owned by Charles Morris, 4401 Kirkpatrick Homes, which was parked at 1038 Niedringhaus avenue. The fronts of both cars were damaged.

He was released at 6:10 a.m. Tuesday upon posting her driver's license as bond. At 11:30 a.m., police were called to the Bellmore liquor store to check on a person in a car. They stopped the same driver at 3161 11th avenue, charging him with driving while intoxicated and having expired state license plates on the vehicle. The car was towed to a garage and he was taken back to jail.

Park Annexation Petition, Maryville Rd. Offer Stalled

Petitions and ordinances pertaining to annexation of the 20-acre park district playground at Offshore avenue in Shannock Gardens and for the dedication of a proposed annexation of an extension of Maryville road were placed on first reading Monday night by Granite City council members.

More data is to be obtained on the details of the street construction and on the possible need for sanitary sewer facilities at the playground. Referred back to the council's Planning committee was a petition granting a 10-foot easement along eight lots in Shannock Gardens first addition for a storm sewer. The city was 15 for each 7 1/2' off each lot instead of five.

Collide in Madison

Two autos were damaged at 4:40 p.m. Monday in a collision at Second street and Madison avenue, Madison. Police said a car driven by Salvador S. Sapito, 2132 Roger street, was headed north on Madison avenue, and the other car was driven by Daniel M. Lancaster, 1909 St. Clair avenue, who was pulling out of Second street. Sapito's car was damaged on the right side and the right fender, and headlight on Lancaster's car were damaged.

Card of Thanks

"Thank you to all the people who were so kind and thoughtful during my stay in the hospital. Special thanks to Dr. O. M. Lay and Sister Theresa."
MRS. SALLY SLDKY

"The family of ELMER BERGER sincerely thank their many friends for the kindness, sympathy and beautiful floral offerings extended at HIS death. Special thanks to pallbearers, public and friends of Venice, Dr. Lee, Dr. Erieh of Collinsville, Lahey Funeral Home and the family. MRS. LILLIAN & HUSBAND, NEPHEWS & NIECE." 31-10-8

In Memoriam

"In loving memory of LINNY E. WALKER, October 10, 1963. We do the happiness you brought to us. And for the love we share." For the example you set for us. For the conviction and faith you held dear.

We cherish and remember, JESTINE, LINDA and CAROL. 31-10-8

"In loving memory of ELIZABETH BAILEY, Oct. 11, 1963. Days of sorrow often come our way. Tears in silence often flow. Love shall always keep you near us. The you left one year ago. Never shall you be forgotten. Never from our memory fade. Loving hearts will always linger around the grave where you are laid."

Sadly missed by—HUSBAND, SON & FAMILY, SISTERS & BROTHERS. 31-10-8

"In loving memory of CONNIE H. HAMBROOK, dear husband, father and grandfather, Oct. 6, 1963. There is someone who misses you sadly. And think the time long since you went. There is someone who thinks of you always. And tries to be brave and content. Gone is the face we loved so dear. Silent the voice we loved to hear. 'Tis sad, but true, we wonder why. The best are always the first to die."

Sadly missed by—WIFE OPAL, SONS AND FAMILIES. 31-10-8

"In loving memory of ERNEST MUELLER, who passed away Oct. 8, 1961. THE FAMILY. 31-10-8
